Kekuatan, Tantangan, dan Keberlanjutan Bisnis.

The central graphic of the cover is a large silhouette of a person's head and shoulders. The interior of the silhouette is filled with a detailed cityscape at night, featuring numerous skyscrapers and buildings. A bright, glowing white circle is positioned where the person's face would be. To the right of the head, there is a network diagram with yellow nodes connected by lines. On the left side, a green wireframe cylinder is superimposed over the cityscape. The overall background is a light gray gradient.

Islam and China's Hong Kong Wai-Yip Ho, 2013-06-07 Hong Kong is a global city state under the sovereignty of the People's Republic of China and is home to

around 250 000 Muslims practicing Islam However existing studies of the Muslim majority communities in Asia and the Northwest China largely ignore the Muslim community in Hong Kong Islam and China s Hong Kong skillfully fills this gap and investigates how ethnic and Chinese speaking Muslims negotiate their identities and the increasing public attention to Islam in Hong Kong Examining a range of issues and challenges facing Muslims in Hong Kong this book focuses on the three different diasporic Muslim communities and reveals the city state s triple Islamic heritage and distinctive Islamic culture It begins with the transition from the colonial to the post colonial era and explores how this has impacted on the experiences of the Muslim diaspora and the ways this shift has compelled the community to adapt to Chinese nationalism whilst forging greater links with the Gulf Then with reference to the rise of new media and technology the book examines the heightened presence of Islam in the Chinese public sphere alongside the emergence of Chinese Islamic websites which have sought to balance transnational Muslim solidarity and sensitivity towards Chinese government s concern of external extremism Finally it concludes by investigating Hong Kong s growing awareness of the Muslim minorities demands for Islamic religious education and how this links with the city state s aspiration to become the new gateway for Islamic finance Indeed Wai Yip Ho posits that Hong Kong is now shifting from its role as the broker that bridged East and West during the Cold War to that of a new mediator between China and the Middle East Drawing on extensive ethnographic research this book thoughtfully charts a new area of inquiry and as such will be welcomed by students and scholars of Chinese studies Islamic studies Asian studies and ethnicity studies

Entrepreneurship Stefan Kwiatkowski, 2017-07-28 Entrepreneurship is the capability to be an entrepreneur Beyond that idea is an ideology that a person s business actions result in industrial growth or technical advances making that person a leader in the economic world The contributors to this latest volume in the Praxiology Series now available in paperback are united in claiming that resourcefulness is a characteristic of people who take effective action and that effectiveness is dependent on good ethical purposes The wide angle definition of entrepreneurship presented in this volume demands that people and organizations engage in more than simple self interest but also display awareness of the prospects for wider growth and advances resulting from their decisions In a period of financial crisis caused by irresponsible behavior by eminent would be entrepreneurs the significance of this perspective should be evident The editors claim that growth not stagnation advantage not decline are irreversible traits of business activity This is why the very concept of entrepreneurship calls for values and responsibility even more than in the past The contributors develop the idea of entrepreneurship from both theoretical approaches religious and practical or applied perspectives This inter and multidisciplinary approach offers readers a chance to rebuild trust in entrepreneurship
