Kalaupapa Anwei Skinsnes Law,2012-09-30 Between 1866 and 1969 an estimated 8 000 individuals at least 90 percent of whom were Native Hawaiians were sent to Molokai s remote Kalaupapa peninsula because they were believed to have leprosy Unwilling to accept the loss of their families homes and citizenship these individuals ensured they

would be accorded their rightful place in history They left a powerful testimony of their lives in the form of letters petitions music memoirs and oral history interviews Kalaupapa combines more than 200 hours of interviews with archival documents including over 300 letters and petitions written by the earliest residents translated from Hawaiian It has long been assumed that those sent to Kalaupapa were unconcerned with the world they were forced to leave behind The present work shows that residents remained actively interested and involved in life beyond Kalaupapa They petitioned the Hawaii Legislative Assembly in 1874 seeking justice They fervently supported Queen Liliuokalani and the Hawaiian Kingdom prior to annexation and contributed to the relief effort in Europe following World War I In 1997 Kalaupapa residents advocated at the United Nations together with people affected by leprosy from around the world This book presents at long last the story of Kalaupapa as told by its people *Postcards from Rainbow's End* R. Buddy Murphy, 2010-05 A captivating journey of life misadventures and survival through the eyes of Lane Webster The flashbacks are riveting and exciting the pages almost turn on their own It starts with a blast of demonic energy just keeps going and going until the last page has been turned A good and easy read that keeps you begging for more Lane Webster What a guy and the colourful characters he meets on the journey provide a tale that must be told and must be heard I dare you to try and put it down Go ahead Try *Rainbow's End* Ellis Peters, 2015-12-22 When an antiques mogul is murdered in an English village there are many suspects and very few tears making it a difficult case for Superintendent Felse The sleepy village of Middlehope is suddenly jerked into life by antiques mogul Arthur Rainbow In a whirlwind of activity he extravagantly refurbishes the manor house joins the golf club angling society and arts council and in a ruthless coup dislodges the old church organist to take over the position himself But for all his reforming zeal the Middlehope community rejects Rainbow And when Rainbow's crushed body is found in the graveyard of Saint Eata's church there is very little surprise or sorrow but much speculation as to whom the murderer could be After all there are so many candidates from his young beautiful flirtatious wife to the usurped organist and his mutinous choir It falls upon Superintendent George Felse newly promoted head of the Midshire CID to solve this most perplexing murder case Rainbow's End is the 13th book in the Felse Investigations but you may enjoy reading the series in any order
