**Intertextuality in Practice** Jessica Mason, 2019-09-23 The books we've read the films we've seen the stories we've heard and just as importantly the ones we haven't form an integral part of our identity Recognising a reference to a text can result in feelings of pleasure expertise and even smugness being lost as to a reference's possible significance can lead to alienation from a text or conversation Intertextuality in Practice offers readers a cognitively grounded framework for hands-on analysis of intertextuality both in written texts and spoken discourse The book offers a historical overview of existing research highlighting that most of this work focuses on what intertextuality is conceptually rather than how it can be identified described and analysed Drawing on research from literary criticism neuroscience linguistics and sociology this book proposes a cognitive stylistic approach presenting the narrative interrelation framework as a way of operationalising the concept of intertextuality to enable close practical analysis

Premonitions Jamie Schultz, 2014-07-01 TWO MILLION DOLLARS It's the kind of score Karyn Ames has always dreamed of enough to set her crew up pretty well and more important enough to keep her safely stocked on a very rare very expensive black market drug Without it Karyn hallucinates slices of the future until they totally overwhelm her leaving her unable to distinguish the present from the mess of certainties and possibilities yet to come The client behind the heist is Enoch Sobell a notorious crime lord with a reputation for being ruthless and exacting and a purported practitioner of dark magic Sobell is almost certainly condemned to Hell for a magically extended lifetime full of shady dealings Once you're in business with him there's no backing out Karyn and her associates are used to the supernatural and the occult but their target is more than just the usual family heirloom or cursed necklace It's a piece of something larger Something sinister Karyn's crew and even Sobell himself are about to find out just how powerful it is and how powerful it may yet become *North western reporter. Supreme Court,1951 Complete with headnotes summaries of decisions statements of cases points and authorities of counsel annotations tables and parallel references **See Me Naked** Amy Frykholm,2012-11-13 A fascinating troubling and finally heartening book that subtly shows ways that Christians might reconcile their bodies with their devotion to God Highly recommended for individual Christians but also for pastors and church groups Library Journal starred review Stories of sexual scandals in churches throughout the nation have been downright routine in recent years suggesting to many Americans that a deeply rooted problem plagues American Christianity and prompting some to abandon their congregations altogether In See Me Naked Amy Frykholm takes us beyond simple indictments of or blind allegiance to Christian cultures to explore the complex intimate intersection of sexuality and spirituality as it affects the lives of ordinary Christians Recounting with care and nuance the life histories of nine American Protestants Frykholm shows us the harm done by the rules based sexual ethic now dominant which alternately denies and romanticizes sexuality But she also points to how American Christians might otherwise access their spiritual tradition to heal the divide between religion and sexuality One story examines the intricate relationship between a man s religious faith and his sexual addiction In another a man defines religion as a wall that kept him from the discovery that he was gay One young woman uses sex to defy her devout parents while another seeks to transcend her body by going without food Nearly everyone interviewed in See Me Naked remains a Christian with some further on their journey than others Yet each of them is working to understand the connection between their desires and their faith Ultimately their stories stories of pain and violence perseverance and courage attest to the healing power of struggling through the wild and uncertain experiences of life See Me Naked explores the many ways that people work to recover from harmful beliefs and restores the notion that one of the key insights of Christianity is that the

body with all its struggles pains and difficulties is a vehicle of the holy and can lead us into a more full relationship with God
