Digital Literary Redlining Amy E. Earhart, 2025-06-24 Though canon concerns seem to be a relic of 1990s academia we are once again at a historical moment when there is resistance to teaching texts by writers of color and texts that deal with race ethnicity and gender At the same time algorithmic bias scholars are locating systemic bias encoded into systems from policing software to housing software Bringing these divergent areas together Amy E Earhart examines how technological and institutional infrastructures construct and deconstruct race ethnicity and gender identities Focusing on two central infrastructures the database a commonly used technological infrastructure in the digital humanities and the anthology a scholarly and pedagogical infrastructure Earhart considers how such seemingly naturalized infrastructures impact the representation and modeling of identity The book draws upon the building and use of DALA a collection of almost 100 years of generalist American and African American literature anthologies constructed to investigate questions of identity and representation in literary anthologies and by extension the larger literary canon The resulting examination and its rigorous discussion of how identities are created and recreated within Black literary histories has important implications for contemporary cultural and political debates about canon formation literary scholarship and the bias embedded in technological infrastructures

The Labyrinth of Multitude and Other Reality Checks on Being Latino/x Julio Marzán, 2023-11-14 Seventies Hispanics identifying with Latin American emergence and increasing immigration to the U S adopted the epithet latino soon written as Latino Media fast tracked English Latino would eventually tilt presidential elections advocate national programs and protest policies with native and immigrant subgroups presumed homogenous Enunciated identically as latino and presumed to be latino or its exact translation Latino proved to be a transliteration that since its coining started diverging from latino Latino became the political mask of unity over discrete subgroups its primary agenda identity politics as a racialized brown consciousness divested of its Hispanic cultural history In contrast latino retains its Spanish transracial semantics invoking an hispano cultural history Nationally Latino represents the entire Hispanic demographic while internecinely not all subgroups identify as Latinos Latino is defined by immediate sociopolitical issues yet when needed invokes the latino cultural history it presumably disowns Intellectual inconsistency and semantic amorphousness make Latino a confusing epithet that subverts both speech and scholarship Collective critical thinking on its

semantic dysfunction deferring to solidarity is displaced with politically correct but circumventing tweaks creating Latino a Latin Latinx On the other hand Latino exists because its time had come expressing an aspiration for a more participatory identity in a multicultural America Julio Marz n author of *The Spanish American Roots* of William Carlos Williams suspends solidarity to articulate the intellectual challenges of his Latino identity Writing to academic standards in a style accessible to the general reader Marz n argues that from latino roots Latino evolved into an American identity as a demographic summation implying a culture that actually origin cultures provide ambiguously an ethnicity and a nostalgic assimilation Latino are American germane sociopolitical extrapolations of latino experiential details the often conflicted distinction illustrated in Marz n s equally engaging essays that revisit iconic personages and personal events with more nuance than seen as Latino
