Dept. of Science and Art,1897 *The Irish Administration* R. B. McDowell,2024-10-01 The developments and achievements of the Irish administration overshadowed by the more spectacular aspects of Irish history have received comparatively little attention But Irish conditions in the 19th Century encouraged and compelled the state to exert itself on a more extensive front than in contemporary England and a number of government departments played a very active and often creative part in Irish social and economic life In this work originally published in 1964 and based on a wide range of printed and manuscript sources the author shows how the administrative structure was drastically rationalised and modernised The author is also interested both in the work the administration performed and the men who staffed it The Irish administration during the century came into contact with many different aspects of Irish society

Universal Secondary Education in India Jandhyala B. G. Tilak,2020-07-24 This book offers a cutting edge contribution on the importance of secondary education and assesses the strengths and weaknesses of its growth in India Secondary education long neglected faces countless challenges and will require tremendous financial resources millions of additional trained teachers and vast infrastructure in terms of buildings laboratories libraries ICT facilities etc The book examines these critical issues with particular reference to the situation in India It analyses the status quo of secondary education and discusses the strategies and approaches needed in order to universalize it Including 20 chapters authored by eminent scholars in the field and from across the country this book gathers the outcomes of a seminar organized by the Council for Social Development on Universalization of Secondary Education The target audience includes policymakers practitioners administrators education planners researchers teachers and teacher educators with an interest in the future of secondary education Hindi Is Our Ground, English Is Our Sky Chaise LaDousa,2014-01-01 A sea change has occurred in the Indian economy in the last three decades spurring the desire to learn English Most scholars and media venues have focused on English exclusively for its ties to processes of globalization and the rise of new employment opportunities The pursuit of class mobility however involves Hindi as much as English in the vast Hindi Belt of northern India Schools are institutions on which class mobility depends and they are divided by Hindi and English in the rubric of medium the primary language of pedagogy This book demonstrates that the school division allows for different visions of what it means to belong to the nation and what is central and peripheral in the nation It also shows how the language medium division reverberates unevenly and unequally

through the nation and that schools illustrate the tensions brought on by economic liberalization and middle class status
