Originally the Venda Building Society VBS Mutual Bank was a small little known lender in Limpopo before it rocketed from obscurity in 2016 by giving President Jacob Zuma a controversial home loan to repay the state for improvements to his Nkandla homestead The bank was growing rapidly and sold itself as a fearless champion of black advancement Its main shareholder Vele Investments was on a meteoric trajectory towards becoming a financial conglomerate worthy of national attention When the bank abruptly went into curatorship in March 2018 no one had any reason to doubt that it was just another unfortunate corporate failure Then the astonishing truth emerged the collapse of VBS was due to an epic R2 billion fraud that had created Vele s empire out of thin air and left the bank a hollow shell **VBS A Dream Defrauded** unravels the fraud exploring how suspected mastermind Tshifhiwa Matodzi and his associates first took control of VBS fed ANC patronage networks and operated under a nationalist mantle endorsed by Venda royalty The book explains how the bank and its shareholder Vele were seemingly built into a multibillion rand business exposes the political machinations that guaranteed VBS up to R3 5 billion in unlawful funding from municipalities and other state institutions and describes the free for all that ensued after the bank s collapse when all involved tried to cover their tracks Written by one of the journalists who first broke the story this book draws on interviews with VBS insiders and other role players as well as documents and detailed forensic evidence collected in the course of two years of investigations This is a compelling account of a bank heist whose shockwaves continue to haunt the politicians businessmen and traditional leaders who enabled it      **Contact** ,2003      **History of the**

Pelham,1983      **The Most Excellent Way to Lead** Perry Noble,2016-03-01 Speakers often use the words vision boldness and influence to describe the characteristics of effective leaders Perry Noble in **The Most Excellent Way to Lead** makes the case that the heart of great leadership lies elsewhere Perry despite winning the label least likely to succeed in high school beat the odds against him Today he inspires thirty five thousand people every weekend to live for something greater than themselves He credits this achievement to the leadership principles he has learned from the Bible

Surprisingly the essence of leadership that produces genuine growth is buried in a Bible chapter often read at weddings In this groundbreaking book Perry walks us through that leadership chapter describing the fifteen qualities of an inspirational leader Whether you are an entrepreneur or a new parent this book will encourage you to see every opportunity in life as a chance to lead in the most excellent way     **The Parish Record** ,1957     **No-Work Paperwork for Children's Ministry** ,1996     **The History of St. Johns Lutheran Church** ,1996     **Religion on the Prairie** Edward E.
