Vedic Sukta Sangraha:

Atma Bodha By Shankaracharya Shraddhesh Chaturvedi, 2020-09-13 Traditionally Who am I has been the central quest of Vedic texts Knowing I without any external attributes such as body mind age etc is termed as self knowledge Or we can say that knowing what we are and what we are not constitutes the complete answer For example a transparent crystal placed near a hibiscus flower appears to be red Until we see it without the flower we ll not know that it is transparent and not red Similarly if our notion about ourselves is mixed with some external attributes which are different from us we ll perceive our reality differently This wrong perception will give rise to various conflicts like death pain and anxiety So it looks imperative to know our fundamental reality to destroy the pain and taste the immortal bliss within Once we accept that there is something we need to know we talk about the ways in which the correct understanding can be reached We find ways to test our understanding And we also want to know how this reality looks like In this short original and profound work Shankaracharya has answered these questions and shared his insight about non dual reality *Five Works of Shankaracharya* Shraddhesh Chaturvedi, 2020-01-18 This book is a translation of five works of Sri Shankaracharya the guru who not only united Vedic philosophies but also the people of undivided India With more than 250 works which are all equally profound his impact on Indian psyche still reigns supreme A brief and easy to understand introduction of Advait Vedanta is also provided in the beginning The basic organisation of the book is as below 0 Introduction to Advait Gives an outline of the basic principles of non dualism 1 Dakshinamurti Stotram A prayer to all pervading Lord Shiva who is the ultimate destination of any spiritual enquiry 2 Manisha Panchakam Lord Shiva tests Shankaracharya on his conviction about the absolute 3 Dasha Shloki Shankaracharya s famous answer of Who Am I to his guru during their first meeting 4 Drig Drashya Viveka Builds the logic to distinguish the ultimate seer from its objects of observation 5 Brahmanuchintanam Pondering over Absolute Reality which takes us to it **Seven Works of Shankaracharya** Shraddhesh Chaturvedi, This book is a translation of seven works of Sri Shankaracharya the most notable non dualistic philosopher and saint His philosophy continues to ignite shape and bless the thinking of human minds ever since he adorned the earth A basic outline of the book is as below 1 Bhaja Govindam Devotion to Lord Krishna is the only refuge in this world afflicted with diseases pain and death 2 Hastamalakam Insightful description of self by an enlightened boy assumed to be dumb by everyone 3 Sadhan Panchakam Dos and don ts for a spiritual aspirant willing to achieve unflinching progress 4 Dhanyashtakam Description of blessed persons and their qualities we should aspire for 5 Nirvan Shatkam Illustration of what we are not to make us understand what we are 6 Prashnottar Manimala Collection of various important questions and their succinct answers 7 Para Puja A new perspective to worship the non dual all pervading Absolute Timeless Sanskrit Quotes Shraddhesh Chaturvedi, 2020-09-13 This text is a collection of 100 verses from various sources of Sanskrit Literature These verses capture some of the most important messages of these scriptures for a modern reader Translations and interpretations are

aided by the appropriate contexts to make them more interesting It also provides the readers an opportunity to assess the general theme of bigger classical texts in a short time Source of these verses can be broadly classified as below 1 Valmiki Ramayana A story of Lord Rama which is running within us timelessly 2 Gita The divine message at the forefront of war 3 Mahabharata The most interesting piece of history under the sun 4 Upanishads Foundation texts of Vedic philosophy 5 Puranas Philosophy intertwined stories for a broader audience 6 Vedas The primeval texts on supreme reality 7 Other Gitas Famous dialogues in classical texts which are quite similar to Gita 8 Smriti Recording of earlier experiences based on memories and common rituals 9 Miscellaneous Texts Based on the works of famous Sanskrit scholars like Kalidasa Chanakya etc
