The Master And Margarita Russian Version Russian Edition:

A Reader's Companion to Mikhail Bulgakov's The Master and Margarita J.A.E. Curtis, 2019-12-17 Mikhail Bulgakov's novel *The Master and Margarita* set in Stalin's Moscow is an intriguing work with a complex structure wonderful comic episodes and moments of great beauty Readers are often left tantalized but uncertain how to understand its rich meanings To what extent is it political Or religious And how should we interpret the Satanic Woland This reader's companion offers readers a biographical introduction and analyses of the structure and the main themes of the novel More curious readers will also enjoy the accounts of the novel's writing and publication history alongside analyses of the work's astonishing linguistic complexity and a review of available English translations *Russian Literature and Its Demons* Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century *The Master & Margarita* Mikhail Bulgakov, 1995 Introduction by Simon Franklin Translation by Michael Glenny From the Hardcover edition The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel **Reference Guide to Russian Literature** Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public A History of Russian Literature Andrew Kahn, Mark Lipovetsky, Irina Reyfman, Stephanie Sandler, 2018-04-05 Russia possesses one of the richest and most admired literatures of Europe reaching back to the eleventh century A History of Russian Literature

provides a comprehensive account of Russian writing from its earliest origins in the monastic works of Kiev up to the present day still rife with the creative experiments of post Soviet literary life The volume proceeds chronologically in five parts extending from Kievan Rus in the 11th century to the present day The coverage strikes a balance between extensive overview and in depth thematic focus Parts are organized thematically in chapters which a number of keywords that are important literary concepts that can serve as connecting motifs and case studies in depth discussions of writers institutions and texts that take the reader up close and Visual material also underscores the interrelation of the word and image at a number of points particularly significant in the medieval period and twentieth century The History addresses major continuities and discontinuities in the history of Russian literature across all periods and in particular bring out trans historical features that contribute to the notion of a national literature The volume s time range has the merit of identifying from the early modern period a vital set of national stereotypes and popular folklore about boundaries space Holy Russia and the charismatic king that offers culturally relevant material to later writers This volume delivers a fresh view on a series of key questions about Russia s literary history by providing new mappings of literary history and a narrative that pursues key concepts rather more than individual authorial careers This holistic narrative underscores the ways in which context and text are densely woven in Russian literature and demonstrates that the most exciting way to understand the canon and the development of tradition is through a discussion of the interrelation of major and minor figures historical events and literary politics literary theory and literary innovation

Russian Life ,2007 *Russian Literature and the Classics* Peter I. Barta,David H. J. Larmour,Paul Allen Miller,2013-12-02 Russian Literature and the Classics attempts to fill a gap To date there has been no book length systematic study of the impact of antiquity on Russian literature and culture While by no means claiming to offer a comprehensive approach the authors focus on various aspects of the influence which the Classics have had on Russian literature at particularly significant junctures the beginning of the nineteenth century the age of the great Russian realist novel the Silver Age Stalin s terror the Thaw after 1956 and the period just before the collapse of Soviet society In their introductory essay the editors offer an overview of the Classical Tradition In it they provide an insight into the contrasting ways in which that tradition manifested itself in the literatures of Western Europe and of Russia

Vladimir Sorokin's Discourses Dirk Uffelmann,2020-04-21 Vladimir Sorokin is the most prominent and the most controversial contemporary Russian writer Having emerged as a prose writer in Moscow's artistic underground in the late 1970s and early 80s he became visible to a broader Russian audience only in the mid 1990s with texts shocking the moralistic expectations of traditionally minded readers by violating not only Soviet ideological taboos but also injecting vulgar language sex and violence into plots that the postmodernist Sorokin borrowed from nineteenth century literature and Socialist Realism Sorokin became famous when the Putin youth organization burned his books in 2002 and he picked up neo nationalist and neo imperialist discourses in his dystopian novels of the 2000s and 2010s making him one of the fiercest critics of Russia's new middle ages while remaining steadfast in his dismantling of foreign discourses

The Image of Christ in Russian Literature John Givens,2018-05-29 Vladimir Nabokov complained about the number of Dostoevsky's characters sinning their way to Jesus In truth Christ is an elusive figure not only in Dostoevsky's novels but in Russian literature as a whole The rise of the historical critical method of biblical criticism in the nineteenth century and the growth of secularism it stimulated made an earnest affirmation of Jesus in literature highly problematic If they affirmed Jesus too directly writers paradoxically risked diminishing him either by deploying faith explanations that no longer persuade in an age of skepticism or by reducing Christ to a mere argument in an ideological dispute The writers at the heart of this study understood that to reimage Christ for their age they had to make him known through indirect even negative ways lest what they say about him be mistaken for cliché doctrine or naïve apologetics The Christology of Dostoevsky Leo Tolstoy Mikhail Bulgakov and Boris Pasternak is thus apophatic because they deploy negative formulations saying what God is not in their writings about Jesus Professions of atheism in Dostoevsky and Tolstoy's non divine Jesus are but separate negative paths toward truer discernment of Christ This first study in English of the image of Christ in Russian literature highlights the importance of apophaticism as a theological practice and a literary method in understanding the Russian Christ It also emphasizes the importance of skepticism in Russian literary attitudes toward Jesus on the part of writers whose private crucibles of doubt produced some of the most provocative and enduring images of Christ in world literature This important study will appeal to scholars and students of Orthodox Christianity and Russian literature as well as educated general readers interested in religion and nineteenth century Russian novels
