Beyond Price R. A. Donkin, 1998 Man has been intrigued by the origin of pearls sensitive to their beauty and convinced of their medicinal value for at least 5 cent A mixture of folklore and observation preceded the earliest scientific inquiries Fishing and trade commenced in S Asia between India and Sri Lanka and around the Persian Gulf In W and Central Europe Inner Asia and China and N Amer Freshwater pearls were probably known and treasured before those of marine origin A refined nomenclature points to a long familiarity with etymologically related words for pearl Pearls were prominent among the luxury products of world trade and were high among the objectives of expeditions to the eastern and western Tropics

[Sages and Filial Sons](#) Julia Ching, R. W. L. Guisso, 1991 **Re-enchanting Modernity** Mayfair Yang, 2020-05-15 In *Re-enchanting Modernity* Mayfair Yang examines the resurgence of religious and ritual life after decades of enforced secularization in the coastal area of Wenzhou China Drawing on twenty five years of ethnographic fieldwork Yang shows how the local practices of popular religion Daoism and Buddhism are based in community oriented grassroots organizations that create spaces for relative local autonomy and self governance Central to Wenzhou's religious civil society is what Yang calls a ritual economy in which an ethos of generosity is expressed through donations to temples clerics ritual events and charities in exchange for spiritual gain With these investments in transcendent realms Yang adopts Georges Bataille's notion of ritual

expenditures to challenge the idea that rural Wenzhou's economic development can be described in terms of Max Weber's notion of a Protestant Ethic. Instead Yang suggests that Wenzhou's ritual economy forges an alternate path to capitalist modernity.

In Thailand all hell breaks loose as our intrepid explorers spend their days bottle feeding leopard cubs walking with tigers and swimming with elephants before climbing the 7 tiers of the Erawan Waterfall crossing the Bridge over the River Kwai riding the Thailand to Burma Death Railway and walking the length of Hellfire Pass. To round off their ten week Voyage of Discovery our dynamic duo pay a visit to the phenomenal PETRONAS Towers in Malaysia and in Singapore they come face to face with the Lords of the Jungle as they embark on their first ever night time safari.
