must not cool our parched throats without the certificate of the microscope We must not eat without an ultimate analysis of each item of the bill of fare as we would take an account of stock before ordering fresh goods and this without ever knowing how much lime we need for the bones iron for the blood phosphorus for the brain or nitrogen for the muscles In short there is death in the air we breathe death in the food we eat death in the water we drink until verily we seem to walk our ways of life in the very valley and shadow of death ever subject to the attack of hobgoblins of disease The No Breakfast Plan and the Fasting-Cure Edward Hooker Dewey, 2020-04-08 I entered upon my serious duties as did good rare old Bunyan into his pulpit with a feeling fairly oppressive that I was the least of all the saints My materia medica was in my vest pocket my small library in my head with its contents in a very hazy condition With a weak memory for details and marked inability to possess truth except by the slow process of digestion and assimilation my brain was more a machine shop than a wareroom hence capacity of retail dealing was of the smallest I was not in the least conscious at this time that a large wareroom amply stored by virtue of a retentive memory was not the most needed as an equipment for all the practical affairs of life I have ever found it necessary to dodge some memories when there was lack of time to endure a hailstorm of details That I did not become a danger to the hapless sick and wounded only less than their diseases and wounds was wholly due to my small materia medica to utter lack of pride in knowledge that had not become a power with me and to that lofty ambition for professional success which moved me to seize aid from no matter where or whom as the drowning man a straw **The No-breakfast Plan and the Fasting-cure** Edward Hooker Dewey, 2014-02-12 This work presents Dr Dewey's theories in a clear concise way giving the origin of the no breakfast plan and the theories upon which it is based The Publishers Trade List Annual Volume 2 August 1905 Your boarding house lady is too besotted to reform work out your own salvation Omit breakfast or lunch at the table and eat a small health meal in your room such as fruit juice or a hot drink or fresh fruit and whole wheat crackers or a good flaked cereal and cream with prunes figs or berries Read The No Breakfast Plan by Dr E H Dewey The Independent Volumes 86 87 April 3 1916 I have since found that my greatest service at the beds of the sick is as an interpreter of symptoms rather than a vender of drugs As my experience enlarged so did my faith in Nature Most of the cases of disease that fall to the care of the physician are trivial self limited and rapidly recover under even the most crucifying dosages Nature really winning the victories the physician carrying off the honors Feed feed the sick whether or not say all the doctors say all the books to support strength or to keep life in the body and yet Nature was absurd enough to ignore all human practice evolved from experience and in her own way to support vital power while curing the disease Edward Hooker Dewey M D I Introduction Army experiences in the Civil War Early years in general practice Difficulties encountered Medicinal treatment found wanting as a means to superior professional success II A case of typhoid fever that revolutionized the Author's faith and practice A cure without drugs without food III A study of the brain from a new point of view IV The error of enforced food in cases of severe injuries and diseases V An apostrophe to physicians VI The origin of the No breakfast Plan Personal

experience of the Author as a dyspeptic VII Digestive conditions Taste relish Hunger relish The moral science involved in digestion as a new study Cheer as a digestive power Its contagiousness VIII The No breakfast Plan among farmers and other laborers Why the hardest labor is more easily performed and for more hours without a breakfast IX The utility of slow eating and thorough mastication X Landscape gardening upon the human face Absurdity of the use of drugs to cure diseases Mission of homoeopathy THE FASTING CURE XI The forty two day fast of Mr W W C Cowen of Warrensburg Ill and its successful end Press account The twenty eight day fast of Mr Milton Rathbun of New York and its successful end Press account A second fast of Mr Milton Rathbun of thirty five days in the interest of science and its successful end Press account Adverse comments of Dr George N Shrady an eminent New York physician XII The remarkable fast of forty five days of Miss Estella Kuenzel of Philadelphia resulting in a complete cure of a case of melancholia Press accounts A still more remarkable fast of fifty days of Mr Leonard Thress of Philadelphia resulting in a complete cure of a bad case of general dropsy Press accounts General dropsy in a woman of seventy six relieved by a fifteen day fast with the cure permanent Rev Dalrymple s fast of thirty nine and one half days without interruption of pastoral duties XIII Insanity A study from a new point of view XIV The evolution of obesity and its easy relief by fasting XV Chronic alcoholism The evolution of the drunkard His complete easy rational cure by fasting XVI A successful sixty day fast under the Author s care The error of drinking water without thirst Concluding words

THE BOOK OF LIFE & THE FASTING CURE Upton Sinclair, 2024-01-17 In The Book of Life The Fasting Cure Upton Sinclair details a groundbreaking exploration of health diet and self improvement couched within the framework of early 20th century reformist thought Sinclair adopts a narrative style that is both engaging and didactic weaving personal anecdotes with practical advice on fasting and nutrition The book encapsulates the zeitgeist of the Progressive Era reflecting the rising interest in holistic health approaches amidst industrialization s threats to personal well being Sinclair s fervent advocacy for vegetarianism and fasting aligns with his broader thematic concerns about societal reform and individual empowerment encouraging readers to reclaim their health from an increasingly mechanized environment Upton Sinclair renowned for his fearless critique of capitalism and class disparity became an influential figure in American literature His earlier work The Jungle exposed the harsh realities of the meatpacking industry highlighting his lifelong commitment to social justice and public health Sinclair s exploration of fasting as a remedy for modern ailments stems from his own health struggles and a profound belief in the power of personal agency in the face of societal pressures This remarkable work is a must read for anyone interested in health wellness and the intertwining of personal choices with societal health Sinclair s insightful arguments and practical guidance on fasting serve

not only as a path to physical well being but also as a call to consciousness about our lifestyles Readers seeking both a provocative critique of modern eating habits and a practical guide to personal health will find exquisite value in Sinclair's vision *The No Breakfast Plan and the Fasting* Edward Hooker Dewey, 2016-05-14 This volume is a history or a story of an evolution in the professional care of the sick It begins in inexperience and in a haze of medical superstition and ends with a faith that Nature is the all in all in the cure of disease The hygiene unfolded is both original and revolutionary its practicality is of the largest and its physiology beyond any possible question The reader is assured in advance that every line of this volume has been written with conviction at white heat that enforced food in sickness and the drug that corrodes are professional barbarisms unworthy of the times in which we live Notice This Book is published by Historical Books Limited www.publicdomain.org.uk as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA publicdomain.org.uk **Healthology (health Study).
