Baseball Norman L. Macht, 2015-10-01 In *The Grand Old Man of Baseball* Norman L. Macht chronicles Connie Mack's tumultuous final two decades in baseball. After Mack had built one of baseball's greatest teams, the 1929 Philadelphia Athletics, the Depression that followed the stock market crash fundamentally reshaped Mack's legacy as his team struggled on the field and at the gate. Among the challenges Mack faced was a sharp drop in attendance that forced him to sell his star players, the rise of the farm system which he was slow to adopt, the opposition of other owners to night games which he favored, the postwar integration of baseball which he initially opposed, a split between the team's heirs: Mack's sons Roy and Earle on one side, their half brother Connie Jr. on the other, that tore apart the family and forced Mack to choose unwisely between them, and finally the disastrous 1951-54 seasons in which Roy and Earle ran the club to the brink of bankruptcy. By now aged and mentally infirm, Mack watched in bewilderment as the business he had built fell apart. Broke and in debt, Roy and Earle feuded over the sale of the team. In a never before revealed series of maneuvers, Roy double-crossed his father and brother, and the team was sold and moved to Kansas City in 1954. In Macht's third volume of his trilogy on Mack, he describes the physical, mental, and financial decline of Mack's final years, which unfortunately became a classic American tragedy.

The Old Man in the Mountain and Other Stories Fairbanks, 2013-10 Exploring widely diverse settings from the wilds of the Australian Outback to urban adventures to biblical lands, this collection of short stories, poems, and other writings celebrates what it is to be Australian. It encompasses love, revenge, debauchery, wonder, loss, and uncertainty, but a common thread of hope emerges from the colourful and eccentric writings of bush author Fairbanks. An elder Aboriginal storyteller regales a group of eager tourists with an ancient story of betrayal, loss, and clever deception by The Old Man in the Mountain. In Tjamiti Ngunytji, an American youth is rescued by a character living in a remote outback Aboriginal community. After the devastating Black Saturday Bushfire destroyed his Victoria home and manuscripts, Fairbanks was inspired to capture the fleeting reflections of such an experience in *The Smouldering Stump*. Life is, as always, been and will continue to be a complex thing, shaped by friendship and love, bonds, ugliness, and conflict, anticipation and uncertainty, comedy and joy, tragedy, mystery, and more. Above all, there is hope and beauty for those who look for it. *The Old Man in the Mountain and Other Stories* celebrates the many threads in the colourful tapestry of life with the quirky, sometimes irreverent Aussie sense of humour.

Ernest Hemingway's The Old Man And The Sea R.N. Singh, 1999 *The Old Man And The Sea* is undoubtedly one of the true classics of our generation. It marks the triumph of Hemingway as a literary artist. The greatest quality of this book is that it cannot be vitiated by public distortion in another medium for film purposes. It is in this book that Hemingway came to terms with himself and his universe and gave meaning to his private and individual existence. Since the publication of this novelette in 1952, it was so widely read and talked about that it earned its author the Pulitzer Prize the same year and was instrumental in winning him the Nobel Prize two years later. Since then, so much has been written on this book that it is very difficult, if not impossible, to say or write something new about this symbolic
