Love Parisienne Florence Besson, Eva Amor, Claire Steinlen, 2018-01-02 From the world's most romantic city comes this enchanting guide to passion and love Three chic Parisian women share their secrets for every stage of romance from fleeting flirtations to the beginning of a relationship to partnerships that last a lifetime Featuring tips on what to wear on a first date where to go for a spontaneous romantic getaway how to keep things hot between the sheets and so much more these pages give readers the tools to handle every amorous situation with allure and grace Full of fashionable illustrations and bite size advice delivered in a delightful tone Love Parisienne is the super chic guide to living and loving like a fabulous French woman The Paris That's Not in the Guide Books Basil Woon, 1926 **Fashion, Culture, and Identity** Fred

Davis, 2013-11-11 What do our clothes say about who we are or who we think we are How does the way we dress communicate messages about our identity Is the desire to be in fashion universal or is it unique to Western culture How do fashions change These are just a few of the intriguing questions Fred Davis sets out to answer in this provocative look at what we do with our clothes and what they can do to us Much of what we assume to be individual preference Davis shows really reflects deeper social and cultural forces Ours is an ambivalent social world characterized by tensions over gender roles social status and the expression of sexuality Predicting what people will wear becomes a risky gamble when the link between private self and public persona can be so unstable **Fashion on the Ration** Julie Summers, 2015-03-05 In September 1939 just three weeks after the outbreak of war Gladys Mason wrote briefly in her diary about events in Europe Hitler watched German siege of Warsaw City in flames And she continued Had my wedding dress fitted Lovely For Gladys Mason and for thousands of women throughout the long years of the war fashion was not simply a distraction but a necessity and one they weren't going to give up easily In the face of bombings conscription rationing and ludicrous bureaucracy they maintained a sense of elegance and style with determination and often astonishing ingenuity From the young woman who avoided the dreaded forces bloomers by making knickers from military issue silk maps to Vogue's indomitable editor Audrey Withers who balanced lobbying government on behalf of her readers with driving lorries for the war effort Julie Summers weaves together stories from ordinary lives and high society to provide a unique picture of life during the Second World War As a nation went into uniform and women took on traditional male roles clothing and beauty began to reflect changing social

attitudes For the first time fashion was influenced not only by Hollywood and high society but by the demands of industrial production and the pressing need to make do and mend Beautifully illustrated and full of gorgeous detail Fashion on the Ration lifts the veil on a fascinating era in British fashion *The Cut of Women's Clothes* Norah Waugh, 2013-10-08 Each period in the history of costume has produced its own characteristic line and silhouette derived from a cut and construction which varies considerably from age to age Here are patterns taken from actual dresses many of them rare museum specimens illustrated by sketches of the dresses There are notes on the production of women's dress with references to early technical books and journals together with diagrams from some of them Numerous illustrations show the dresses as worn complete with their hairstyles jewelry decorations and accessories
