## **The Passion Of Ayn Rand:**

*The Passion of Ayn Rand* Barbara Branden, 1986 The bestselling biography of one of the 20th century's most remarkable and controversial writers Author Barbara Branden who knew Rand for nineteen years provides a matchless portrait of this fiercely private and complex woman

**The Passion of Ayn Rand** Barbara Branden, 1986 The bestselling biography of one of the 20th century's most remarkable and controversial writers Author Barbara Branden who knew Rand for nineteen years provides a matchless portrait of this fiercely private and complex woman

**Passion of Ayn Rand** Barbara Branden, 2008-07-10 Based on interviews with Rand and discussions with those close to her this biography describes her life from her youth in Russia to her stint in Hollywood as a screenwriter and through her marriage the publication of her novels and the evolution of her philosophy

[Ayn Rand](#) , **Nova. The Passion of Ayn Rand** , **Ayn Rand and the World She Made** Anne Conover Heller, 2010-10-19 A New York Times Notable Book A Chicago Tribune Favorite Book of the Year A San Francisco Chronicle Best Book of the Year Ayn Rand's books have attracted three generations of readers shaped the Libertarian movement influenced White House economic policies throughout the Reagan years and beyond and inspired the Tea Party movement Yet twenty eight years after her death readers know very little about her life In this seminal biography Anne C Heller traces the controversial author's life from her childhood in Bolshevik Russia to her years as a Hollywood screenwriter the publication of her blockbuster novels and the rise and fall of the cult that worshipped her in the 1950s and 1960s Based on original research in Russia and scores of interviews with Rand's acquaintances and former acolytes Ayn Rand and the World She Made is a comprehensive and eye opening portrait of one of the most significant and improbable figures of the twentieth century

[Ayn Rand and the Russian Intelligentsia](#) Derek Offord, 2022-05-05 This book examines the writings of the American novelist Ayn Rand especially *The Fountainhead* 1943 and *Atlas Shrugged* 1957 which Rand considered her definitive statement about the need for an unregulated free market in which superior humans could fully realize themselves by living for no one but themselves It explores Rand's conception of American identity which exalted individualism and capitalism and her solution for saving the modern American nation which she believed was losing the spirit of its 18th and 19th century founders and frontiersmen having been degraded morally and economically by the rampant socialism of the mid 20th century world Derek Offord crucially goes on to analyse how Rand's writings functioned as a vehicle in which she a Russian Jewish writer born in St Petersburg in 1905 engaged with ideas that had long animated the Russian intelligentsia Her conception of human nature and of a utopian community capable of satisfying its needs her reversal of conventional valuations of self sacrifice and selfishness her division of humans into an extraordinary minority and the ordinary mass her comparison of competing civilizations in all these areas Offord argues that Rand drew on Russian debates and transposed them to a different context Even the type of novel she writes the novel of ideas is informed by the polemical methods and habits of the Russian intelligentsia The book concludes that her search for a brave new world

continues to have topicality in the 21st century with its populist critiques of liberal democracies and acrimonious debates about countries moral social and economic priorities and their identities inequalities and social tensions

**A Companion to Ayn Rand** Allan Gotthelf, Gregory Salmieri, 2021-11-08 The first volume to offer a comprehensive scholarly treatment of Rand's entire corpus including her novels her philosophical essays and her analysis of the events of her times this Companion provides vital orientation and context for scholars and educated readers grappling with a controversial and understudied thinker whose enduring influence on American and world culture is increasingly recognized The first publication to provide an in depth scholarly treatment ranging over the whole of Rand's corpus Provides informed contextual analysis for scholars in a variety of disciplines Presents original research on unpublished material and drafts from the Rand archives in California Features insightful and fair minded interpretations of Rand's controversial positions

**Selfish Women** Lisa Downing, 2019-05-24 This book proceeds from a single and very simple observation throughout history and up to the present women have received a clear message that we are not supposed to prioritize ourselves Indeed the whole question of self is a problem for women and a problem that issues from a wide range of locations including in some cases feminism itself When women espouse discourses of self interest self regard and selfishness they become illegible This is complicated by the commodification of the self in the recent Western mode of economic and political organization known as neoliberalism which encourages a focus on self fashioning that may not be identical with self regard or self interest Drawing on figures from French US and UK contexts including Rachilde Ayn Rand Margaret Thatcher and Lionel Shriver and examining discourses from psychiatry media and feminism with the aim of reading against the grain of multiple orthodoxies this book asks how revisiting the words and works of selfish women of modernity can assist us in understanding our fraught individual and collective identities as women in contemporary culture And can women with politics that are contrary to the interests of the collective teach us anything about the value of rethinking the role of the individual This book is an essential read for those with interests in cultural theory feminist theory and gender politics

**The Passion of Ayn Rand's Critics** James Stevens Valliant, 2005 Read Rand's own never before seen journal entries about the Brandons Author Valliant shines light on the truth hidden by the Brandens biographies and sets the record straight

On Nabokov, Ayn Rand and the Libertarian Mind Gene H. Bell-Villada, 2014-07-08 On Nabokov Ayn Rand and the Libertarian Mind not only conjoins two seemingly divergent authors but also takes on the larger picture of libertarian trends and ideologies These timely topics further intermingle with Bell Villada's own conflicted relationship personal cultural satirical literary to the odd pair and their ways of thinking The inclusion of Louis Begley's essay adds yet another dimension to this unique wide ranging meditation on art and politics history and memory
