language allows scholars to review key concepts in sociolinguistics such as genre style voice stance dialogue participation structure or features of orality and literariness The contributors explore language as one of the creative tools to craft story worlds and characters by drawing on concepts such as regional social and ethnic language variation as well as multilingualism Themes such as emotion taboo language or impoliteness in fiction receive attention just as the challenges of translation and dubbing the creation of past and future languages the impact of fictional language on language change or the fuzzy boundaries of narratives Each contribution written by a leading specialist gives a succinct representative and up to date overview of research questions theories methods and recent developments in the field Forbidden Jordan D.

Rosenblum,2024-10-08 A surprising history of how the pig has influenced Jewish identity Jews do not eat pig This not always true observation has been made by both Jews and non Jews for more than three thousand years and is rooted in biblical law Though the Torah prohibits eating pig meat it is not singled out more than other food prohibitions Horses rabbits squirrels and even vultures while also not kosher do not inspire the same level of revulsion for Jews as the pig The pig has become an iconic symbol for people to signal their Jewishness non Jewishness or rebellion from Judaism There is nothing in the Bible that suggests Jews are meant to embrace this level of pig phobia Starting with the Hebrew Bible Jordan D Rosenblum historicizes the emergence of the pig as a key symbol of Jewish identity from the Roman persecution of ancient rabbis to the Spanish Inquisition when so called Marranos Pigs converted to Catholicism to Shakespeare s writings to modern memoirs of those leaving Orthodox Judaism The pig appears in debates about Jewish emancipation in eighteenth century England and in vaccine conspiracies in World War II rallying cries when many American Jewish soldiers were eating ham for Uncle Sam in conversations about pig sandwiches reportedly consumed by Karl Marx and in recent deliberations about the kosher status of Impossible Pork All told there is a rich and varied story about the associations of Jews and pigs over time both emerging from within Judaism and imposed on Jews by others Expansive yet accessible Forbidden offers a captivating look into Jewish history and identity through the lens of the pig **A Companion to British-Jewish Theatre Since the 1950s** Jeanette R.

Malkin,Eckart Voigts,Sarah Jane Ablett,2021-03-25 The first of its kind this companion to British Jewish theatre brings a neglected dimension in the work of many prominent British theatre makers to the fore Its structure reflects the historical development of British Jewish theatre from the 1950s onwards beginning with an analysis of the first generation of writers that now forms the core of post war British drama including Tom Stoppard Harold Pinter and Arnold Wesker and moving on to significant thematic force fields and faultlines such as the Holocaust antisemitism and Israel Palestine The book also covers the new generation of British Jewish playwrights with a special emphasis on the contribution of women writers and the role of particular theatres in the development of British Jewish theatre as well as TV drama Included in the book are fascinating interviews with a set of significant theatre practitioners working today including Ryan Craig Patrick Marber John Nathan Julia Pascal and Nicholas Hytner The companion addresses not only aesthetic and ideological concerns but also

**Autoethnography and Intercultural Learning** Phiona Stanley, 2020-04-22 Critical Autoethnography and Intercultural Learning shows how critical autoethnographic writing in a field such as intercultural education can help inform and change existing research paradigms Engaging story telling and insightful analysis from emerging scholars of diverse backgrounds and communities shows the impact of lived experience on teaching and learning Different areas of intercultural learning are considered including language education student and teacher mobilities Indigenous education backpacker tourism and religious learning The book provides a worked example of how critical autoethnography can help shift thinking within any discipline and reflects critically upon the multidimensional nature of migrant teacher and learner identities This book will be essential reading for upper level students of qualitative research methods and on international education courses including language education      *Religion, Feminism, and Idoloclasm* Melissa Raphael, 2019-01-22 Religion Feminism and Idoloclasm

identifies religious and secular feminism s common critical moment as that of idol breaking It reads the women s liberation movement as founded upon a philosophically and emotionally risky attempt to liberate women s consciousness from a three fold cognitive captivity to the self idolizing god called Man the God who is a projection of his power and the idol of the feminine called Woman that the god called God created for Man Examining a period of feminist theory theology and culture from about 1965 to 2010 this book shows that secular as well as Christian Jewish and post Christian feminists drew on ancient and modern tropes of redemption from slavery to idols or false ideas as a means of overcoming the alienation of women s being from their own becoming With an understanding of feminist theology as a pivotal contribution to the feminist criticism of culture this original book also examines idoloclasm in feminist visual art literature direct action and theory not least that of the sexual politics of romantic love the diet and beauty industry sex robots and other phenomena whose idolization of women reduces them to figures of the feminine same experienced as a de realization or death of the self This book demonstrates that secular and religious feminist critical engagements with the modern trauma of dehumanization were far more closely related than is often supposed As such it will be vital reading for scholars in theology religious studies gender studies visual studies and philosophy

**Literary Prizes and Cultural Transfer** Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05 Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon The contributions to this book analyse the social institutional and ideological functions of such prizes This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes The contributions reveal the diverse ways in which a cultural transfer approach enhances the

study of literary prizes presenting the state of the art regarding recent developments in the field Articles with a broader scope discuss definitions concepts and methods while other contributions deal with specific case studies A variety of theoretical and methodological approaches are explored applying field theory network analysis comparative literature and cultural transfer studies By providing multiple perspectives on the literary prize this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon
