PARTS., Frederic Manning, 1929 **The Middle Parts Of Fortune** Frederic Manning, 2012-04-26 The drumming of the guns continued with bursts of great intensity. It was as though a gale streamed overhead piling up great waves of sound and hurrying them onwards to crash in surf on the enemy entrenchments The windless air about them by its very stillness made that unearthly music more terrible to hear First published anonymously in 1929 because its language was considered far too frank for public circulation The Middle Parts of Fortune was hailed by T S Eliot and Ezra Pound by Lawrence of Arabia and Ernest Hemingway as an extraordinary novel Its author was in fact Frederic Manning an Australian writer who fought in the Battle of the Somme in 1916 and who told his story of men at war from the perspective of an ordinary soldier Never before published in Australia The Middle Parts of Fortune is now recognised as a twentieth century classic **Frederic Manning** Jonathan Marwil, 1988 In January 1930 Her Privates We appeared in London advertised as a record of experience on the Somme and Ancre fronts in 1916 from the pen of Private 10922 a well known man of letters already distinguished in another kind of literature Reviewers praised the novel as the most accurate and moving portrayal yet rendered of the common soldier and the work guickly became a bestseller Shortly thereafter the author was revealed as Frederic Manning a reclusive and little known author of narrative poetry philosophical dialogues and works on Epicurus An early contributor to Criterion Manning enjoyed considerable esteem among his peers T E Lawrence Ernest Hemingway Ezra Pound and T S Eliot among others How did a classical and noncommercial author come to write a grittily realistic war novel Manning fled from the attendant publicity avoiding the limelight assiduously and successfully Marwil's search for the answer to this riddle and for the details of his life in some ways the search is as interesting and revealing as the results and his account of Manning's life and work reveal a great deal of the intellectual and social world of Edwardian and Georgian England The Middle Parts of Fortune ; [Manning, Frederic] ; Somme & Angre, 1916.
