

The background of the entire image is a cosmic scene. It features a dark blue and black space filled with numerous stars of varying brightness. A prominent, bright orange and yellow light source, resembling a sun or a distant star, is positioned on the horizon line, creating a lens flare effect. The horizon itself is a curved line, suggesting the edge of a planet or a celestial body, with a blue and white atmospheric glow. The overall composition is symmetrical and evokes a sense of vastness and mystery.
