The Pub in Literature Steven Earnshaw, 2000 Steven Earnshaw traces the many roles of the drinking house in literature from Chaucer s time to the end of the 20th century taking in the better known hostelries such as Hal s and Falstaff s Boar s Head in Henry IV and the inns of Dickens

Christmas Eve at The Moon Under Water Carol Ann Duffy, 2023-10-26 The enchanting festive poem from Carol Ann Duffy former Poet Laureate of the United Kingdom and adorned with sumptuous illustrations by artist Margaux Carpentier Christmas Eve at The Moon Under Water is the perfect festive gift for the poetry lover in your life All the lights were on at The Moon Under Water and the landlord an Owl was slowly pulling a pint to test his ale Toothsome It was Christmas Eve and the fire in the ancient grate gargled its flames A horse walks into a bar A hedgehog plays the piano An owl mulls a flagon of wine On Christmas Eve at The Moon Under Water anything is possible so when the landlord announces a festive prize for the best performance of the night all and sundry pile into the pub eager for a chance at victory In Christmas Eve at The Moon Under Water all the old rivalries of the natural world are suspended for one miraculous night as man stands shoulder to shoulder with animal and predator and prey add warble and wail to the Yuletide chorus

Local Flavour: Victoria 2012 , *The English* Jeremy Paxman, 2001-10-02 The acclaimed author of On Royalty explores the mysteries of English identity in this witty argumentative book bursting with good things The Daily Telegraph A Sunday Times Top Ten Bestseller Being English used to be easy As the dominant culture in a country that dominated an empire that dominated the world they had little need to examine themselves and ask who they were But something has happened over the past century A new self confidence seems to have taken hold in Wales and Scotland while others try to forge a new relationship with Europe What exactly sets the English apart from their British compatriots Is there such a thing as an English race Renowned journalist and bestselling author Jeremy Paxman traces the invention of Englishness to its current crisis and concludes that for all their characteristic gloom about themselves the English may have

developed a form of nationalism for the twenty first century Paxman's irrepressibly witty bit of Anglo scholarship offers stirring insights *Vanity Fair* *Biographies of Drink* Mark Hailwood, Deborah Toner, 2015-02-05 The burgeoning field of drinking studies often ranging across and between disciplinary boundaries explores the place of alcohol in human societies from a very diverse range of perspectives Whilst some scholars have examined the cultural meanings and social practices associated with alcohol consumption and its relationship to various forms of identity and community formation others have focused on attempts to regulate or tax it its role as a trade commodity or its medical and psychological effects on consumers The sheer diversity of issues upon which the study of alcohol and drinking can shed light is undoubtedly part of the strength of the field of drinking studies At the same time however it can make it difficult for these different strands to consistently and fully engage with one another This book offers an innovative methodology that will help to facilitate fruitful interactions between scholars approaching the study of alcohol from different perspectives the biographies of drink approach Drawing inspiration from but also going beyond work on the social lives of things this collection of essays showcases an approach in which each author constructs a biography of a particular drink drinking place or idea associated with drink in a tightly focused historical context The biographies included range from the drinking vessels of Roman Britain to a whisky advertising campaign in 1950s America and deal with diverse themes from the associations between alcohol and national identity to the relationship between drinking and Existentialism The book brings together scholarly approaches from classics design theory literary studies and history within the biographies framework This allows for the emergence of important areas of comparison and contrast as well as several overarching themes such as the close associations between different drinking patterns and notions of tradition and modernity that occur in a wide range of cultural and historical contexts Not only then does this book provide fascinating case studies of interest to scholars working in particular fields or particular contexts but it also showcases a productive new methodology which offers insights of relevance to anyone interested in the role of alcohol in any society

George Orwell's Perverse Humanity Glenn Burgess, 2023-04-06 This is the first book to focus primarily on George Orwell's ideas about free speech and related matters freedom of the press the writer's freedom of expression honesty and truthfulness and in particular the ways in which they are linked to his political vision of socialism Orwell is today claimed by the Left and Right by neo conservatives and neo socialists How is that possible Part of the answer as Glenn Burgess reveals is that Orwell was an odd sort of socialist The development of Orwell's socialism was from the start conditioned by his individualist and liberal commitments The hopes he attached to socialism were for a fairer more equal world that would permit human freedom and individuality to flourish completing not destroying the work of liberalism Freedom of thought was a central part of this and its defence and use were essential parts of the struggle to ensure that socialism developed in a liberal humane form that did not follow the totalitarian path of Soviet communism Written in celebration of Orwell's dictum We hold that the most perverse human being is more interesting than the most orthodox gramophone record George Orwell's

Perverse Humanity is a portrait of Orwell that captures these themes and provides a new understanding of him as a political thinker and activist Based on archival research and new materials that affirm his work as an activist for freedom it also uncovers a socialist ideology that has been obscured in just the way that the author feared it would be associated in many people s minds with totalitarian unfreedom *The Orwell Tour* Oliver Lewis,2023-07-06 A travelogue exploring the life and work of George Orwell through the places he lived worked and wrote Following in the footsteps of his literary hero researcher and historian Oliver Lewis set out to visit all the places to have inspired and been lived in by George Orwell Over three years he travelled from Wigan to Catalonia Paris to Motihari Marrakesh to Eton and in each location explored both how Orwell experienced the place and how the place now remembers him as a literary icon Beginning in Northern India where Orwell was born in 1903 and ending in the Oxfordshire village of Sutton Courtenay where he was laid to rest in 1950 The Orwell Tour offers an accessible and informative new biography of Orwell through the lens of place *Real England* Paul Kingsnorth,2011-08-04 We see the signs around us every day the chain cfs and mobile phone outlets that dominate our high streets the disappearance of knobbly carrots from our supermarket shelves and the headlines about yet another traditional industry going to the wall For the first time here is a book that makes the connection between these isolated incremental local changes and the bigger picture of a nation whose identity is being eroded As he travels around the country meeting farmers fishermen and the inhabitants of Chinatown Paul Kingsnorth reports on the kind of conversations that are taking place in country pubs and corner shops across the land while reminding us that these quintessentially English institutions may soon cease to exist **The Descendant** Kevin Morris,2016-03-31 John and Eleanor take over the tenancy of The Old Coaching Inn The Coach situated in the Pendle area of Lancashire intending to renovating the third floor attic to provide bed and breakfast accommodation There is a legend that The Coach is haunted by a ghost Henry At first things run smoothly but eventually more unexplained things start to occur which cannot be attributed solely to Henry In London Paul Mitch Mitchell who is a close acquaintance of Jennifer Eleanors best friend is having dreams of events which took place long ago Each dream becomes more vivid and revealing Jennifer decides to investigate She enlists the help of Jake one of her colleagues at London University And Jakes wife Annabel who is a spirit medium experienced in the paranormal With the help of Lucy a research assistant at the University they come to the rescue Annabel conducts one to one psychic readings and sances to find out what is troubling the spirit Will it ever be appeased And if so how The answer lies with The Descendant but who is it George Orwell John Rodden,2001-12-31 This study examines how George Orwell s legacy as a writer developed and the importance of his work both during and after his lifetime John Rodden seeks to bring Orwell s work into proper focus while providing insight into the phenomenon of literary fame **Facing Unpleasant Facts** George Orwell,2008 Honoring the author s mastery of the essay form brings together such classic works as Shooting an Elephant with passages from his wartime diary and lesser known journalistic pieces that weave together the personal and political in studies of his boyhood in

A Bright Cold Day Nathan Waddell, 2025-06-05 A pioneering biography of George Orwell told through moments of everyday life A clever offbeat history of mid century Britain through George Orwell's eyes Helen Lewis When we think about Orwell we imagine an angular moustachioed sceptic crouched over a typewriter who between puffs on his cigarette composes effortless streams of prose unadorned but explosive We see a man with Important Things to Say about the slow creep of authoritarianism the consequences of all seeing tech the fragility of truth Much less often do we see him as a person caught up in the business of everyday life And yet Orwell's work thrums with the quotidian the smell of boiled cabbage the
