The Mystery of the Cross and the Narrow Gate Revealed: What the Bible Really Says Michael J Roberts, 2017-09-06 The Mystery of the Cross and the Narrow Gate Revealed is a search to reconcile apparent contradictions in the Bible especially those passages pertaining to salvation Beginning with the premise of the infallibility of the Bible it argues that both the Reformers understanding of the atonement and their doctrine of salvation are invalid since they are contradicted by numerous scriptures In the end the result of this search is a new understanding of both the atonement and salvation and the development of doctrines on these subjects which will enable us to read canonically without seeing contradictions Through faith and reason a sound hermeneutic and careful exegesis The Mystery of the Cross and the Narrow Gate uncovers the internal coherence of scripture with the principal objective of restoring truth and bringing reform to a church that fails to grasp that the Holy Spirit is given to humankind to enable us to become holy and be made fit for the kingdom in heaven refer www.themysteryofthecross.com **Mystery of the Cross** Basil Hume, 2004-09 A profound collection of meditations and reflections on the cross They speak of the mystery of suffering and the mystery of God s love shown particularly in the death and resurrection of Christ Drawing on the liturgy of the Church especially the Easter liturgy Cardinal Hume reminds us that Christ shared our pain and that our suffering brings us closer to Christ and closer to God

inescapable term in contemporary English language theological discussion The doctrine of atonement has received little attention in Orthodox Christian circles since the work of Fr Georges Florovsky who labored to clarify and promulgate the Orthodox teaching on atonement on the basis of his theological leitmotifs of neo patristic synthesis and encounter with the West Florovsky saw the doctrine of the person of Christ as the key to apprehending the pattern and the unity of God's redemptive work Hence he always sought to follow the Church Fathers in weaving together the themes of creation and fall incarnation and atonement deification and redemption liturgy and asceticism in the variegated yet seamless robe of true theology The present volume is inspired by Florovsky's legacy It is composed of two parts The first is a collection of papers on atonement by contemporary theologians from a patristic symposium in honor of Florovsky held at Princeton Theological Seminary and Princeton University in 2011 The second part is a collection of writings on atonement by Florovsky himself including previously unpublished manuscripts and other works otherwise hard to access This book offers incisive and informed neo patristic voices to any contemporary discussion of atonement thus responding to the perennial legacy and task to which Fr Georges Florovsky exhorted Orthodox theological reflection
