The Muslim Brotherhood in Syria Dara Conduit, 2019-08 A look at the history of the Muslim Brotherhood in Syria examining why the group failed to capitalise on its political advantage during the Syrian uprising and civil war

Germania Anthony Gordon Pilla, 2021-12-09 *Germania* Hitler s Twisted Fantasy By Anthony Gordon Pilla In this what if fictional tale of Hitler s world we see in his neurotic mind the conflict of Evil versus Good In his sleep he takes us on a journey in which his twisted fantasy will reveal thoughts of World War II events such as the 1936 Berlin Olympics Lebenstraum Oktoberfest Blitzkrieg Operation Barbarossa Lindbergh Hitler Connection the Jewish Exodus Plan the Pacific Summit World Government and Germania Good Life

Universality and Translation Gavin Arnall, Katie Chenoweth, 2025-01-07 Within contemporary theory the concepts of translation and universality have frequently been associated with different and even opposed philosophical and political projects watchwords of either domination or liberation

the erasure of difference or the defense of difference The universalizing drives of capitalism colonialism and other systems of oppression have precipitated widespread suspicion of any appeal to universality This has led some in turn to champion the very notion of universality as antithetical to these systems of oppression Similarly recent scholarship has begun to grapple with the fundamental role of translation not only in forging inclusive democratic politics but also by contrast in violence including imperial expansion and global war The present volume advocates neither for nor against translation or universality as such Instead it attends to their insurmountable ambiguity and equivocity the tensions and contradictions that are internal to both concepts and that exist between them Indeed the wager of this volume is that translation universality and their relationship name irreducible yet overlapping sites of struggle for a diverse array of struggles on the Left Drawing from multiple intellectual traditions and orientations with a special emphasis on deconstruction and Marxism this volume both reveals and participates in a subterranean current of thought committed to theorizing the dynamic plural and ultimately inextricable relationship between translation and universality Its contributors approach this problem in ways that challenge and unsettle dominant trends within translation studies and critical and postcolonial theory thereby opening new lines of inquiry within and beyond these fields Contributors Ben Conisbee Baer Barbara Cassin Souleymane Bachir Diagne Cate Reilly Peter Thomas Gavin Walker Naomi Waltham Smith Gary Wilder

The Global Impact of the Protocols of the Elders of Zion Esther Webman, 2012-03-29 The Protocols of the Elders of Zion has attracted the interest of politicians and academicians and generated extensive research since the tract first appeared in the early twentieth century Despite having repeatedly been discredited as a historical document and in spite of the fact that it served as an inspiration for Hitler's antisemitism and the Holocaust it continues even in our time to be influential Exploring the Protocols successful dissemination and impact around the world this volume attempts to understand their continuing popularity one hundred years after their first appearance in so many diverse societies and cultures With contributions from leading scholars in the field the book covers themes such as Why have the Protocols survived to the present day and what are the sources from which they draw their strength What significance do the Protocols have today in mainstream worldviews Are they gaining in importance Are they still today a warrant for genocide or merely a reflection of xenophobic nationalism Can they be fought by logical argumentation This comprehensive volume which for the first time dwells also on the attraction of the Protocols in Arab and Muslim countries will be of interest to specialists teachers and students working in the fields of antisemitism the far right Jewish studies and modern history

Problems of Communism, 1968

Monthly Catalog, United States Public Documents, Monthly Catalog, United States Public Documents United States. Superintendent of Documents, 1938 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index A Companion

to the Early Printed Book in Britain, 1476-1558 Vincent Gillespie, Susan Powell, 2014 First full scale guide to the origins and development of the early printed book and the issues associated with it The history of the book is now recognized as a field of central importance for understanding the cultural changes that swept through Tudor England This companion aims to provide a comprehensive guide to the issues relevant to the early printed book covering the significant cultural social and technological developments from 1476 the introduction of printing to England to 1558 the death of Mary Tudor Divided into thematic sections the printed book trade the book as artefact patrons purchasers and producers and the cultural capital of print it considers the social historical and cultural context of the rise of print with the problems as well as advantages of the transmission from manuscript to print the printers of the period the significant Latin trade and its effect on the English market paper types bindings and woodcuts and other decorative features which create the packaged book and the main sponsors and consumers of the printed book merchants the lay clientele secular and religious clergy and the two Universities as well as secular colleges and chantries Further topics addressed include humanism women translators and the role of censorship and the continuity of Catholic publishing from that time The book is completed with a chronology and detailed indices Vincent Gillespie is J R R Tolkien Professor of English Literature and Language at the University of Oxford Susan Powell held a Chair in Medieval Texts and Culture at the University of Salford and is currently affiliated to the Universities of London and York Contributors Tamara Atkin Alan Coates Thomas Betteridge Julia Boffey James Clark A S G Edwards Martha W Driver Mary Erler Alexandra Gillespie Vincent Gillespie Andrew Hope Brenda Hosington Susan Powell Pamela Robinson Anne F Sutton Daniel Wakelin James Willoughby Lucy Wooding

The Lens, 1929 **Capitalism at Work** Robert L. Bradley, 2014-05-14 Read the Intro Chapter PDF View the Ayn Rand Appendix View an interview with author Robert L Bradley Jr at Reason.com Capitalism took the blame for Enron although the company was anything but a free market enterprise and company architect was hardly a principled capitalist On the contrary Enron was a politically dependent company and in the end a grotesque outcome of America's mixed economy That is the central finding of Robert L Bradley's Capitalism at Work The blame for Enron rests squarely with political capitalism a system in which business firms routinely obtain government intervention to further their own interests at the expense of consumers taxpayers and competitors Although Ken Lay professed allegiance to free markets he was in fact a consummate politician Only by manipulating the levers of government was he able to transform Enron from a 3 billion natural gas company to a 100 billion chimera one that went in a matter of months from seventh place on Fortune's 500 list to bankruptcy But Capitalism at Work goes beyond unmasking Enron's sophisticated foray into political capitalism Employing the timeless insights of Adam Smith Samuel Smiles and Ayn Rand among others Bradley shows how fashionable anti capitalist doctrines set the stage for the ultimate business debacle Those errant theories like Enron itself elevated form over substance ignored legitimate criticism and bypassed midcourse correction Political capital

Bolshevism: The Road to Revolution Alan Woods, 2018 There have been a multitude of

histories of Russia either written from an anti Bolshevik perspective or its Stalinist mirror image which both paint a false image of Bolshevism For them the Russian Revolution was either an historical accident or tragedy or is presented as the work of one great man Lenin who marched single mindedly towards October Using a wealth of primary sources Alan Woods reveals the real evolution of Bolshevism as a living struggle to apply the method of Marxism to the peculiarities of Russia Woods traces this evolution from the birth of Russian Marxism and its ideological struggle against the Narodniks and the trend of economism through the struggle between the two strands of Menshevism and Bolshevism and up to the eventual seizure of power Bolshevism The Road to Revolution is a comprehensive history of the Bolshevik Party from its early beginnings through to the seizure of power in October 1917 This important work was first published in 1999 with material collected by the author over a thirty year period and was republished to mark the centenary of the Russian Revolution It represents the authoritative work on the building of the Bolshevik Party and can be used as a handbook for those involved in the movement today *American Record Guide* ,1967

Betting on Famine Jean Ziegler,2010-04-20 The seminal book on global poverty and hunger How rapacious speculators and complicit bureaucrats are starving a billion people Wenonah Hauter executive director of Food Water Watch and author of Foodopoly Few people know that world hunger was very nearly eradicated in our lifetimes In the past five years however widespread starvation has suddenly reappeared and chronic hunger is a major issue on every continent In an extensive investigation of this disturbing shift Jean Ziegler one of the world s leading food experts lays out in clear and accessible terms the complex global causes of the new hunger crisis Ziegler s wide ranging and fascinating examination focuses on how the new sustainable revolution in energy production has diverted millions of acres of corn soy wheat and other grain crops from food to fuel The results he shows have been sudden and startling with declining food reserves sending prices to record highs and a new global commodities market in ethanol and other biofuels gobbling up arable lands in nearly every continent on earth Like Raj Patel s pioneering Stuffed and Starved Betting on Famine will enlighten the millions of Americans concerned about the politics of food at home and about the forces that prevent us from feeding the world s children In this devastating book Ziegler describes the horrors of food insecurity the callousness of crusaders of neoliberalism who control food and land access and the individuals and grassroots organizations fighting for subsistence farmers and the right to food Publishers Weekly starred review Passionate well researched objective and illuminating When we close this book indignant we know that those who die of hunger are victims of money and power L Express

Marx Vincent Barnett,2020-10-28 Karl Marx has been portrayed in equal measure both as a political prophet who foresaw the end of capitalist exploitation and as a populist Anti Christ whose totalitarian legacy has cost millions of lives worldwide This new biography looks beyond these caricatures in order to understand more about the real Karl Marx about his everyday life and personal circumstances as well as his political ideology The book tells the life story of a man of ideas showing how his political and economic thought developed alongside his life and practical work Vincent Barnett seeks to

paint Karl Marx not as a static unwavering character but as a man whose beliefs developed dynamically over time The book explores his personal background and problems of personal income and family health It also examines the influence of Hegel's methods on Marx's work and his relationship with Engels This lively up to date guide to the life of Karl Marx provides an excellent starting point for students in history politics and philosophy and for all those with an interest in Marxism and political ideas
