Death to Freedom II Keith D. Hickman, 2009-11-24 A common man writes a rebutal to a periodical and his ideas on how to fix the school sytem and society which catches on with the elitist of society This causes a fire storm of change that radically takes over all world goverenments and eliminates all religions The book focuses in on a bunch of young people who are in different parts of the system They are united with their grandparents who are living in a commune outside of society They are considered outlaws and rebels The community is all retired military and scientists The lead scientist is a beautiful lady who has fallen in love with a doctor of Arts She was on the verge of finding a way off of earth using a type of black hole therory which turned into a portale to the past As the N W S S New World Social Society police was about to find them out in their secret underground military installation The whole community was transported back in time to ancient Greece They decided to find the fable lost city of Atlantis If they can t find it they are going to make their own

Woman : a vindication Anthony M. Ludovici, 2025-03-02 In Woman A Vindication Anthony M Ludovici presents a provocative examination of gender roles and the societal structures surrounding femininity in early 20th century Britain The work exemplifies a bold literary style characterized by direct argumentation vivid imagery and a masterful command of rhetoric Ludovici dismantles prevailing feminist ideologies asserting that many beliefs about women are rooted in misconceptions and societal manipulation His critique offers an alternative perspective on women s nature complementing contemporary essays and philosophical works of the time and challenging readers to reconsider their understanding of gender dynamics Ludovici a philosopher and writer with fascinations in psychology and aesthetics draws upon his background in the arts and a profound appreciation for classical literature to support his arguments His own experiences navigating a world of shifting feminist narratives greatly influenced the writing of this book Ludovici s convictions which reflect his adherence to traditional values were informed by broader socio political currents of his time particularly the rise of the suffragette movement and the reinterpretation of women s roles in society Woman A Vindication is an essential read for anyone interested in feminist

discourse gender studies or early 20th century thought Ludovici's arguments encourage critical reflection on the implications of feminism and the complex nature of gender identity making the book a thought provoking addition to any scholarly collection

When the Earl Met His Match Stacy Reid, 2020-09-14 When Hugh Winthrop the future Earl of Albury decides to advertise for a wife in the London paper he never expected an anonymous response from a woman who matches him wit for wit Their back and forth letters on the true nature of love something they disagree on wholeheartedly leave him shocked and intrigued But then the woman he's been corresponding with shows up on his doorstep enticingly beautiful and offering a marriage of convenience in exchange for his protection Lady Phoebe Maitland expected to marry for love and nothing else until the man she gave her trust betrayed her The more intrigued she becomes by the mysterious and devastatingly handsome Hugh however the more she realizes he's holding back from opening his heart due to long held secrets she struggles to understand As passion flares wickedly between them their marriage bed is quick to heat up But when Phoebe's past threatens to destroy the fragile bond they've formed even a budding belief in love might not be enough to save them
