The Dustbin of History Greil Marcus, 1995 How much history can be communicated by pressure on a guitar string Robert Palmer wondered in Deep Blues Greil Marcus answers here more than we will ever know It is the history in the riff in the movie or novel or photograph in the actor's pose or critic's posturing in short the history in cultural happenstance that Marcus reveals here exposing along the

way the distortions and denials that keep us oblivious if not immune to its lessons Whether writing about the Beat Generation or Umberto Eco Picasso s Guernica or the massacre in Tiananmen Square The Manchurian Candidate or John Wayne s acting Eric Ambler s antifascist thrillers or Camille Paglia Marcus uncovers the histories embedded in our cultural moments and acts and shows how through our reading of the truths our culture tells and those it twists and conceals we situate ourselves in that history and in the world Rarely has a history lesson been so exhilarating With the startling insights and electric style that have made him our foremost writer on American music Marcus brings back to life the cultural events that have defined us and our time the social milieu in which they took place and the individuals engaged in them As he does so we see that these cultural instances as lofty as The Book of J as humble as a TV movie about Jan and Dean as fleeting as a few words spoken at the height of the Berkeley Free Speech Movement as enduring as a Paleolithic painting often have more to tell us than the master narratives so often passed off as faultless representations of the past Again and again Marcus skewers the widespread assumption that history exists only in the past that it is behind us relegated to the dustbin Here we see instead that history is very much with us being made and unmade every day and unless we recognize it our future will be as cramped and impoverished as our present sense of the past

Youngkin, 2005-09-30 Often typecast as a menacing figure Peter Lorre achieved Hollywood fame first as a featured player and later as a character actor trademarking his screen performances with a delicately strung balance between good and evil His portrayal of the child murderer in Fritz Lang s masterpiece M 1931 catapulted him to international fame Lang said of Lorre He gave one of the best performances in film history and certainly the best in his life Today the Hungarian born actor is also recognized for his riveting performances in The Man Who Knew Too Much 1934 The Maltese Falcon 1941 and Casablanca 1942 Lorre arrived in America in 1934 expecting to shed his screen image as a villain He even tried to lose his signature accent but Hollywood repeatedly cast him as an outsider who hinted at things better left unknown Seeking greater control over his career Lorre established his own production company His unofficial graylisting by the House Committee on Un American Activities however left him with little work He returned to Germany where he co authored directed and starred in the film Der Verlorene The Lost One in 1951 German audiences rejected Lorre s dark vision of their recent past and the actor returned to America wearily accepting roles that parodied his sinister movie personality The first biography of this major actor The Lost One A Life of Peter Lorre draws upon more than three hundred interviews including conversations with directors Fritz Lang Alfred Hitchcock Billy Wilder John Huston Frank Capra and Rouben Mamoulian who speak candidly about Lorre both the man and the actor Author Stephen D Youngkin examines for the first time Lorre s pivotal relationship with German dramatist Bertolt Brecht his experience as a migr from Hitler s Germany his battle with drug addiction and his struggle with the choice between celebrity and intellectual respectability Separating the enigmatic person from the persona long associated with one of classic Hollywood s most
