The Mask Of Troy:

The Mask of Troy David Gibbins,2011 What if an ancient artifact held the clue to a secret Nazi experiment whose deadly legacy could spark a new global catastrophe Join marine archaeologist Jack Howard and his team of adventurers as they race against time to stop a terrifying threat Original The Mask of Troy David Gibbins,2010 Jack Howard discovers a shipwreck with ancient inscriptions that indicate the galley is part of the war fleet of Agamemnon When Jack s daughter finds a drawing made by a concentration camp survivor that holds a clue to 19th century archaeologist Heinrich Schliemann s secret Jack becomes embroiled in a chase across Europe The Mask Edward Gordon Craig,1908 **The Mask** ,1912 **The Mask of Apollo** Mary Renault,2015-08-06 Mary Renault is a shining light to both historical novelists and their readers She does not pretend the past is like the present or that the people of ancient Greece were just like us She shows us their strangeness discerning sure footed challenging our values piquing our curiosity she leads us through an alien landscape that moves and delights us HILARY MANTEL Mary Renault s portraits of the ancient world are fierce complex and eloquent infused at every turn with her life long passion for the Classics Her characters live vividly both in their own time and in ours MADELINE MILLER Combining the scholarship of a historian with the imagination of a novelist Mary Renault brings the ancient Greek stage thrillingly to life Set in fourth century B C Greece The Mask of Apollo is narrated by Nikeratos a tragic actor who takes with him on all his travels a gold mask of Apollo a relic of the theatre s golden age which is now past At first his mascot the mask gradually becomes his conscience and he refers to it his gravest decisions when he finds himself at the centre of a political crisis in which the philosopher Plato is also involved Much of the action is set in Syracuse where Plato s friend Dion is trying to persuade the young tyrant Dionysios the Younger to accept the rule of law Through Nikeratos eyes the reader watches as the clash between the two unleashes all the pent up violence in the city All my sense of the ancient world its values its style the scent of its wars and passions comes from Mary Renault I turned to writing historical fiction because of something I learned from Renault that it lets you shake off the mental shackles of your own era all the categories and labels and write freely about what really matters to you EMMA DONOGHUE There s much to wonder at in the way she fills in the large dark spaces where we know next to nothing about the times she describes an important and wonderful writer she set a course into serious minded psychologically intense historical fiction that today seems more important than ever Sam Jordison Guardian *The Mask of Atreus* A. We Wear the Mask Rafia Zafar,1997 Zafar demonstrates that in doing so these forerunners of modern black American writers both adapted to and reacted against a milieu of social resistance and cultural antipathy By the end of Reconstruction this first century of black writers had paved the way for a distinctive African American literature *Exposed by the Mask* Sir Peter Hall,2012-06-18 In these four lectures Peter Hall reveals a lifetime of discoveries about classical theatre Shakespeare opera and modern drama The central argument is that form and structured language paradoxically give freedom to power of thought and feeling much as the masks of early Greek drama enabled actors to express extreme emotion The mask may take many forms the precise language of Beckett and Pinter the classical form of Mozart s operas or Shakespeare s verse Reprinted to form part of the Oberon Masters series a brand new collection of attractive hardbacks on key themes within the arts written by leading lights in each subject *The Mask of Comus* John Milton,1876 *Behind the Mask of the Mattachine* James T. Irène Eynat-Confino, 1987 Eynat Confino goes beyond the usual consideration of Craig s purported theories of the actor scenery and the scene painter to get at the heart of Craig s idea of theater She draws not only on the research of contemporary Craig scholars but on material hitherto unavailable his writings and daybooks and the writings of friends She ties Craig s encounter with Isadora Duncan to a decisive modification in his notion of movement To have an instrument more controllable than the actor he invented the ber marionette a giant puppet Craig also invented the Scene a kinetic stage the screens that brought him worldwide fame were simply an adaptation of this concept Eynat Confino argues that a scenario Craig wrote in 1905 here published for the first time reveals a theosophical system like that of Blake a system that was the main force motivating Craig s artistic quest In her final chapter she carefully examines the psychological aesthetic and circumstantial factors that kept Craig from completing his work to bring friendliness humor love ease peace to the world
