Jay Werman,2022-11-12 The most complete book detailing the biblical structure in which the body of Christ is to function Here you will find the biblical definitions of each of the major ministerial gifts as well as the supporting ministerial gifts Topics such as the ministerial nature of each of the ministerial gifts the ministerial character of each the evidence and qualifications of each All of this biblical material will provide you with a solid biblical foundation as it relates to ministry This book contains detailed language on how God designed the structural form of each ministerial gift which I am sure will expand your biblical knowledge which will help you develop your ministerial calling or define it if you do not yet know what God has called you to do Absolutely all of the material in this book is based on the biblical text and each passage is placed in its proper biblical context There is nothing else that will cause you to grow spiritually like having the Word of God explained to you the way God intended it to be explained It will also open your spiritual eyes so that you can see the counterfeits of Satan and not fall for them God has laid out a plan for you to follow and according to your obedience to this divine plan God has promised to reward you But if you don t know what God has called you to do how can you do it I believe this biblical material will give you much clarity on this subject If you are looking for answers about ministry and its functions you will find in this book a great deal of biblical

material that can help you fulfill God's purpose for you. The better equipped you are with biblical knowledge, the better you will be able to understand and carry out your divine commission. I have no hesitation in saying that this is one of the most complete books on the subject that will assure you of God's purpose for your ministry. There is absolutely nothing more satisfying than fulfilling God's purpose for your life. Nothing beats having a clear vision of where you are going, especially in ministry. I can assure you that you will gain a strong biblical knowledge of the importance of each ministerial gift and its biblical function. Any believer who lacks this biblical knowledge is open to all kinds of deception brought by demons or their agents.

Spiritual Gifts and Abilities ~ I Follow Ollie Fobbs, 2016-05-04. This project, called Spiritual Gifts and Abilities as well as I Follow, were two works that have taken my faith to a higher level of understanding. There are many things about Spiritual Gifts that I did not know until I began working on this book. I Follow, however, is a true story about a certain thing that happened in my life and how I managed to walk it out in faith, utilizing certain aspects of Spiritual Gifts. Spiritual gifts and abilities are the things that can take us to

another level of who we are now right now not ten years from now but the reality is this if we don't know then it cannot help us remember we are killed off daily for the lack of understanding in the things of godliness concerning us and each other

The Five-Fold Ministry Gifts Clement C. Butler, 2021-04-09 Why does the Lord appoint apostles prophets evangelists pastors and teachers to the church Ephesians 4:12 says they are bestowed for the perfecting of the saints the work of the ministry and to edify the body of Christ However these three objectives are best understood in the context of God's purpose His purpose provides the why for understanding the five fold ministry gifts or the gifts of Christ From before the foundation of the world the Father predetermined spiritual blessings in Christ for all humanity In essence His purpose is one of unity The blessings outlined in Ephesians Chapter 1 says that He chose humanity to be His sons who would share His very nature and be like Him In short the Father simply wanted a family born of His nature who would reflect His character and on whom He could bestow an eternal inheritance Therefore the gifts of Christ exist in accordance with this purpose Indeed each gift has individual responsibilities but collectively they serve to bring the entire body of Christ into maturity a unified body that manifests the Father's glory or character The gifts exist to fulfill the purpose that the Father predetermined from before the foundation of the world This book discusses all these elements in detail and brings the Father's purpose for the church into perspective in relation to the gifts
