Knack Chess for Everyone Al Lawrence,Lev Alburt,2010-04-13 Chess is a refreshing pastime for most players and an all encompassing obsession for a few And yet much of chess literature heavy on notation low on useful illustrations frustrating for the beginner is directed at those already in the know Knack Chess for Everyone provides an alternative a clear understandable and fun entry into chess that doesn't ignore the complexities and challenges Photographs of actual game boards often paired with a diagram represent the perspective of the player looking at the pieces The book clearly explains the rules of play and movement of pieces and then gradually introduces various tactics and strategies Chess Life ,2002
