But the core of this book is the fishery: its past status, current condition, and future. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Norrington-Davies, Trish Hilferty, 2015-05-21 Two of the best food writers working today tackle a subject that has been in need of a definitive and fresh guide for many years. In this book, the authors share a knowledge on game cooking that is unrivalled in print form. They show how game offers so many wonderful and affordable choices for the home cook and just how easy it is to source, prepare, and cook something that precious few people seem to realise. They set out to completely demystify their subject and offer expert advice on how to joint, prepare, cook, and enjoy every possible aspect of the foods that are hunted from the lands, skies, and waters of Britain. Written with extreme clarity, insight, and passion, and divided into chapters on four legs, two legs, and no legs, this book really does explore every possible part of the world of game that you could ever wish to know. A true tour de force from a writing team at the height of their powers. Voted one of the Sunday Telegraph's Books of the Year.
