[A Brief History of Nuclear Reactor Accidents](#) Serge Marguet, 2023-01-23 Are you afraid of a nuclear reactor accident Should you be This book will arm you with the scientific knowledge necessary to make a rational and informed opinion on the subject without having to be an expert in nuclear physics Written so that a non specialist can easily approach the highly technical aspects it looks at all significant nuclear reactor accidents since the dawn of the Atomic Age and brings to light many crucial details that rarely if ever appear in the general media Serge Marguet an internationally renowned expert in reactor physics breaks down the must know technical aspects of numerous nuclear reactor accidents throughout history both famous and unknown from the first ever nuclear accident in Leipzig to the Chernobyl explosion and finally the Fukushima affair and its most recent developments With many high quality photographs and diagrams this book is essential reading for anyone concerned about nuclear safety curious about nuclear reactors or simply interested in the history and future of nuclear power

High Oleic Oils Frank J. Flider, 2021-11-25 High Oleic Oils Development Properties and Uses is the first complete

reference to address practical applications for this new and dynamic category of fats and oils that are essentially replacing partially hydrogenated oils in various food and nonfood uses As a category high oleic oils are highly stable but like other fats and oils there are differences in the composition and applications of the various types of high oleic oils Their compositions allow for the production of a range of frying oils increased shelf life foods functional shortenings and hard fats and even industrial products not easily produced with nonhigh oleic oils Information and know how on these applications and advantages has been in high demand and short supply until now Based on extensive commercial experience seminars and presentations Editor Frank Flider has identified common customer questions needs and concerns about high oleic oils and addresses them in this single comprehensive volume outlining development composition and utilization of high oleic oils Through the individual expertise of a highly qualified team of contributing authors this book outlines the development composition and utilization of these oils making it of value to a wide range of readers including the research and development industry and academic researchers Details the development and technology behind today s high oleic crops and oils as well as the history and background of many naturally occurring oleic oils Describes high oleic oils nutritional and compositional advantages over PHOs and lower oleic oils Presents unbiased noncommercial science based and objective insights deliberately balanced to represent high oleic oil varieties equally Addresses transgenic insights as well as new state of the art and future development technologies

The Shoemaker's Daughter: A Novel Helen Martin Block, 2015-02-05

In 1939 Aron is a soldier in the Polish Army Captured by the Germans his valued skills as a shoemaker protect him until his true identity is revealed Shipped back for slave labor and certain death fate reunites him with Gitel the woman he has long pursued Midst escalating violence they marry and soon Gitel has a child Their decision to hide with the girl jeopardizes the safety of others and the choice they are forced to make turns into tragedy *The Shoemaker's Daughter* is a sensuous groundbreaking story of two poor Jews whose passion and bravado help them elude the Nazi net of terror But even after being hidden by honorable Poles and the liberation there is still no safety Now they must chance a dangerous escape to freedom Gitel carries a precious secret that may derail everything they have fought for and time is not on their side

Electrical Installation Record ,1928 **The Last Love Song** Tracy Daugherty, 2015-08-25

In *The Last Love Song* Tracy Daugherty the critically acclaimed author of *Hiding Man* a *New Yorker* and *New York Times* Notable book and *Just One Catch* and subject of the hit documentary *The Center Will Not Hold* on Netflix delves deep into the life of distinguished American author and journalist Joan Didion in this the first printed biography published about her life Joan Didion lived a life in the public and private eye with her late husband writer John Gregory Dunne whom she met while the two were working in New York City when Didion was at *Vogue* and Dunne was writing for *Time* They became wildly successful writing partners when they moved to Los Angeles and co wrote screenplays and adaptations together Didion is well known for her literary journalistic style in both fiction and non fiction Some of her most notable work includes *Slouching Towards Bethlehem* *Run*

River and The Year of Magical Thinking a National Book Award winner and shortlisted for the Pulitzer Prize It dealt with the grief surrounding Didion after the loss of her husband and daughter Daugherty takes readers on a journey back through time following a young Didion in Sacramento through to her adult life as a writer interviewing those who know and knew her personally while maintaining a respectful distance from the reclusive literary great The Last Love Song reads like fiction lifelong fans and readers learning about Didion for the first time will be enthralled with this impressive tribute Nutrition, Exercise and Epigenetics: Ageing Interventions Byung Pal Yu,2015-02-11 This book focuses on the three most important aspects of ageing research nutrition physical exercise and epigenetics The contributors discuss ways that age related epigenetic imprints such as DNA methylation and histone acetylation are modified by these two interventions The emphasis on epigenetics helps to illuminate the underlying mechanisms of anti ageing interventions as ageing and disease are predominately epigenetic phenomena Among the highlights are chapter length discussion of such topics as how anti inflammatory action of calorie restriction underlies the retardation of ageing and age related diseases Chapter 3 epigenetic modification of gene expression by exercise Chapter 5 the role of functional foods and their bioactive components in bone health Chapter 8 and an account of the first decade of a study of calorie restriction in nonhuman primates conducted by the National Institute on Ageing Laboratory Animal Medicine Lynn C. Anderson,Glen Otto,Kathleen R. Pritchett-Corning,Mark T. Whary,2015-07-04 Laboratory Animal Medicine Third Edition is a fully revised publication from the American College of Laboratory Medicine s acclaimed blue book series It presents an up to date volume that offers the most thorough coverage of the biology health and care of laboratory animals The book is organized by species with new inclusions of chinchillas birds and program and employee management and is written and edited by known experts in the fields Users will find gold standard guidance on the study of laboratory animal science as well as valuable information that applies across all of the biological and biomedical sciences that work with animals Organized by species for in depth understanding of biology health and best care of animals Features the inclusion of chinchillas quail and zebra finches as animal models Offers guidance on program and employee management Covers regulations policies and laws for laboratory animal management worldwide O'Hurley Born Nora Roberts,2015-04-28 Abby O Hurley the widow of a notorious race car champion hides her past from arrogant biographer Dylan Crosby and professional dancer Maddy O Hurley shows ruthless businessman Reed Valentine the importance of love *Textbook of Tinnitus* Winfried Schlee,Berthold Langguth,Dirk De Ridder,Sven Vanneste,Tobias Kleinjung,Aage R. Møller,2024-03-22 This book describes the theoretical background of the different forms of tinnitus ringing in the ears and detailed knowledge of state of the art treatments of tinnitus Tinnitus has many forms and the severity ranges widely from being non problematic to severely affecting a person s daily life How loud the tinnitus is perceived does not directly relate to how much it distresses the patient Thus even tinnitus very close to the hearing threshold can be a disabling symptom It can reduce the quality of life by generating anxiety and concentration problems impairing the

ability to do intellectual work making it difficult to sleep causing depression and sometimes even leading to suicide Textbook of Tinnitus has filled a void by providing a comprehensive overview about the different forms of tinnitus their pathophysiology and their treatment However since the publication of the first edition of the Textbook of Tinnitus in 2011 tinnitus research has dramatically evolved In view of the substantial increase in knowledge most chapters in this second edition are newly written and a few original chapters have had major updates This edition has nine sections covering the basics of tinnitus the neurobiology of tinnitus pathophysiological models animal research diagnosis and assessment various forms of management and treatment and finally a look at the future of tinnitus and tinnitus research The book will be of great interest to otolaryngologists neurologists psychiatrists neurosurgeons primary care clinicians audiologists and psychologists and students Because of its organization and its extensive subject index Textbook of Tinnitus Second Edition can also serve as a reference for clinicians who do not treat tinnitus patients routinely Desperate Alliances Rowena Cory

Daniells, 2015-03-10 Fair Isle has found a new ruler and a new way of life Tulkhan the Ghebite General has long severed ties with his brother the King and is forging a new country bringing the best of his people their ferocity courage and passion and the people he has conquered their culture sophistication and egalitarianism together in a nation that will change the world His bond partner never a Ghebite wife Imoshen last of the pure blood T En women with her wine dark eyes and silver hair rules by his side What began as a political alliance has blossomed into love for one another and their newborn son But even as differences still cause trouble between the Ghebites and the people of Fair Isle Imoshen's past tears her in half For Reothe once her betrothed once so great a threat to them and now crippled by her powers still seeks to draw her away And the lure of the mind touch the magical intimacy that she and Tulkhan can never share is one she cannot ignore **The Castle**

Omnibus Steph Swainston, 2015-02-05 50 immortals chosen by the emperor lead humanity in an endless war against hordes of giant insects Their immortality conferred on them by the emperor can be taken away if they lose a challenge to be part of the circle of 50 Jant the emperor's drug addicted messenger the only man who can fly tells the story of mankind's savage fight for survival in a uniquely imagined beautiful fantasy world *From the Cutting Room of Barney Kettle* Kate De Goldi, 2015-09-23 Meet filmmaker Barney Kettle who liked to invent stories but found a real one under his nose Barney Kettle knew he would be a very famous film director one day he just didn't know when that day would arrive He was already an actual director he'd made four fifteen minute films but so far only his schoolmates and the residents of the High Street had viewed them Global fame was a little way off It would come though Barney was certain about that So begins the manuscript written from the hospital bed of an unnamed man He has written it over many months as he recovers from serious injuries sustained in a city wide catastrophe He has written so he can remember the street where he lived home to a cavalcade of interesting people singular shops and curious stories He has written so he can remember the summer before he was injured the last days of a vanished world Above all he has written so he can remember the inimitable Barney Kettle filmmaker part

time dictator questing brain theatrical friend a boy who loved to invent stories but found a real one under his nose a boy who explored his neighbourhood with camera in hand and stumbled on a mystery that changed everything A beautiful story big hearted richly entertaining powerful 2016 Storylines Notable Junior Fiction Award and winner of the Esther Glen Award at the 2016 NZ Book Awards for Children and Young Adults
