The New Testament Its Background And Message:

The New Testament Thomas Lea, David Alan Black, 2003-07-01 Includes revised sections on the text of the New Testament and the synoptic problem The New Testament Bruce M. Metzger, 2012-12 Dr Metzger has given the reader an invaluable resource for the study of the text of the New Testament The book is divided into three major parts Part one begins with a detailed description of the ancient method of bookmaking Next Metzger lists the major Greek manuscripts and codices as well as a basic description of each He also lists the major non Greek witnesses e g Syriac Coptic Latin etc and discusses the role of quotations from the early church Fathers Part two is devoted to the history of the printed editions of the Greek New Testament from the time of the Complutensian Polyglot and the Textus Receptus the text used for the KJV through Westcott and Hort until the present day Part three is an instruction manual for textual criticism including the many theories of criticism and the method of conjectural emendation In this section Metzger also discusses the many types of errors and deliberate changes made by the scribes He then gives an analysis of several textually difficult passages e g Mark 16 and Acts 20 28 The book also includes 16 photo plates that show selected manuscripts A working knowledge of Greek is helpful because Metzger often cites Greek words in the text and footnotes without an English translation If one wishes to learn the basics and more about textual criticism then this is the book to buy Note should be made that this is a decidedly pro Protestant and pro fundamentalist interpretation of the material under discussion *The New Testament* Thomas D. Lea, 1996 Thomas D Lea Unlocks the message of the New Testament for students reading it for the first time and enhances the understanding of those who have studied it for years **Text-Driven Preaching** Daniel L. From Rags to His Riches Rev. Luis Vendrell,2023-01-18 From Rags to His Riches When Your Purpose Is Greater than Your Brokenness A True Story is a story about how I came from the devil s armpit to loving arms of a Savior Growing up I lived in poverty while dealing with drugs gangs constant violence and no hope for life whatsoever It led me to believe this was the hand I was dealt and there was nothing else for me Growing up in the environment I did certainly gave me the impression that life does not get any better As I started to put my trust in God and began to slowly surrender my brokenness to God I started to see His riches begin to cover me in my life I went from the devil s armpit to God s riches by following Him listening to Him and trusting in Him Once I did that I was able to see and experience the full power favor and blessings of God in my life That is how I went from rags to His riches

The Humility and Glory of the Lamb Jeffrey R. Dickson,2018-09-13 Although the Apostle John endorses Lamb twenty nine times in his Apocalypse and employs a term that is used only one other time in the New Testament to this end this unique title and its sophisticated christological implications has only received cursory attention both historically and more recently Even then incomplete monochromatic interpretations of the unique verbiage

John employs to describe Christ are reached After identifying this clearing that exists in the christological forest this book reaches a robust understanding of Revelation s Lamb by means of a contextual grammatical canonical historical hermeneutic Ultimately this monograph concludes that the apostle s use of Lamb throughout his Apocalypse promotes a multifaceted christological presentation of John s protagonist that is dependent on the paradoxical theme of glory in humility a theme that is introduced when the Lamb first emerges in Revelation 5 and is then reiterated every time the title is used thereafter In so doing this work offers students and scholars alike a better understanding of who is coming in the end and what this means for the church at present Luke 6:40 and the Theme of Likeness Education in the New Testament Thomas W.
