The Nibelungen Hoard:

The Nibelungen Tradition Francis G. Gentry, 2002 First Published in 2002 Routledge is an imprint of Taylor Francis an informa company **The Nibelungen Hoard** Edwin Todd, 2014-11-14 In the last days of World War II SS lieutenant Johann von Ritter is dispatched on a mission to deliver a strongbox to the port of Stettin But feeling betrayed and disgusted by the Nazi leadership he disobeys orders and hides the loot instead Knowing he isn't going to make it he leaves clues to the strongbox's location in two letters one to his sister and one entrusted to Lena Mueller the nurse who bears him a child he never knows Almost fifty years later during the fall of the Berlin Wall American Christoph Mueller inherits one of Ritter's letters from his dying grandmother The contents of the yellowed missive plunge Mueller into a dangerous world Aided by Kurt Webber a longtime friend of his grandmother's Mueller finds himself on the run while Communist East Germany crumbles around him He's the last to know the secret he holds as he's seduced by a Stasi informer and stalked by the murderous son of von Ritter's sister Set against the background of twentieth century Berlin's most significant moments The Nibelungen Hoard weaves historical facts and personages with riveting fiction resulting in a dramatic tale of epic proportions

The Nibelungs Ferdinand Schmidt, 2025-03-02 In The Nibelungs Ferdinand Schmidt intricately weaves a rich tapestry of myth and legend revisiting one of Europe's foundational epic narratives This work stands out through its vivid prose and deeply immersive storytelling blending intimacy with dramatic grandeur akin to the ancient sagas Schmidt employs a lyrical style that not only captures the essence of the original tales but also revitalizes their themes of loyalty fate and the tragic consequences of ambition while meticulously contextualizing them within the socio-political landscape of medieval Europe Ferdinand Schmidt a scholar of Germanic literature and culture draws from extensive research and personal exploration of his ancestral roots to craft this adaptation His passion for folklore bolstered by his academic background and a longing to reconnect modern readers with their historical heritage serves as the driving force behind this compelling interpretation Schmidt's previous works and his engagements with oral traditions have equipped him with a unique lens through which he understands these ancient stories positioning him as both a custodian and innovator Schmidt's The Nibelungs is a must read for anyone captivated by the interplay of history and myth It serves not only as an essential read for scholars and students of literature but also for casual readers intrigued by the timeless tales of love betrayal and heroism that continue to resonate through the ages *The Nibelungen Lied, Lay of the Nibelung*, 1893 The Ring of the Nibelung T. Darren, 2005-06 A treasure is taken by force The Rhine gold has been fashioned into a ring of dominion Thereafter crime after crime is committed in vain attempts by gods and mortals alike to possess its power of influence However each attempt must be paid for by crushing personal loss that serves only to drive the pursuer ever more fiercely to possess the cursed artifact In the heart of this web of tragedy a god struggles with the destiny that he himself had wrought for his kind Having touched the Rhine gold no peace is possible for him until he has won the weapon that he hopes to wield in the struggle to avert ultimate

disaster to the gods As his schemes to regain the lost treasure become ever more complex his losses become ever more terrible Unheeding of the price revealed to him he rages on until he has to ask is the prize worth the loss of his mortal son and his immortal daughter

Theology of Wagner's Ring Cycle I Richard H. Bell,2021-01-01 Wagner s Ring is one of the greatest of all artworks of Western civilization but what is it all about The power and mystery of Wagner s creation was such that even he felt he stood before his work as though before some puzzle A clue to the Ring s greatness lies in its multiple avenues of self disclosure and the corresponding plethora of interpretations that over the years has granted ample scope for directors and will no doubt do so well into the distant future One possible interpretation which Richard Bell argues should be taken seriously is the Ring as Christian theology In this first of two volumes Bell considers among other things how the composer s Christian interests may be detected in the forging of his Ring in his appropriation of sources whether they be myths and sagas writers poets or philosophers and in works composed around the same time especially his Jesus of Nazareth

Wagner the Dramatist H.F. Garten,2018-01-01 Richard Wagner has fascinated every generation of opera lovers for over a century and a mass of literature has interpreted and reinterpreted not only his character but also the components of the great music dramas that are still some of the most captivating and complex operas in the international repertory today In this excellent study Garten examines the cultural and historical sources of these operas the myths and legends that Wagner employed in which much of his works interest other than the purely musical can be found Garten s study also shows how legends of the old Nordic gods the troubadours and Minnesingers the quest for the grail as well as stories taken from folklore and history were transformed into the theatrical mythology of Wagner s music dramas
