Ley, 2009-12-16 This enlightening work investigates the history incidence and causes of a unique sexual lifestyle pursued by increasing numbers of couples It is called by many names and lived in a variety of ways by different couples The most common terms used to describe it are hotwife or cuckold lifestyle This sexual practice a form of sexual nonmonogamy is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men The author includes interviews and comments from couples living the lifestyle throughout the U S and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships He explores the psychological social biological and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to

so maybe you know all the stuff you re supposed to know that there are teenier things than atoms that Remembrance of
Things Past has something to do with a perfumed cookie that the Monroe Doctrine means we get to take over small South
American countries when we feel like it But really is this kind of knowledge going to make you the hit of the cocktail party or
the loser spending forty five minutes examining the host s bookshelves Wouldn t you rather learn things like how the
invention of the bicycle affected the evolution of underwear Or that the 1949 Nobel Prize for Medicine was awarded to a
doctor who performed lobotomies with a household ice pick Or how Catherine the Great really died Or that heroin was sold
over the counter not too long ago For the truly well rounded intellectual nothing fascinates so much as the subversive the
contrarian the suppressed and the bizarre Richard Zacks auto didact extraordinaire has unloosed his admittedly strange
mind and astonishing research abilities upon the entire spectrum of human knowledge ferreting out endlessly fascinating
facts stories photos and images guaranteed to make you laugh gasp in wonder and occasionally shudder at the depths of
human depravity The result of his labors is this fantastically illustrated quasi encyclopedia that provides alternative takes on
art business crime science medicine sex lots of that and many other facets of human experience Immensely entertaining and
arguably enlightening *An Underground Education* is the only book that explains the birth of motion pictures using photos of

naked baseball players Richard Zacks is the author of *History Laid Bare Love Sex and Perversity from the Ancient Etruscans to Warren G Harding* which was excerpted in classy magazines like *Harper's* and earned the attention of the even classier *New York Times* which noted that Zacks specializes in the raunchy and perverse The Georgia State Legislature voted on whether to ban the book from public libraries He has studied Arabic Greek Latin French Italian and Hebrew and received the Phillips Classical Greek Award at the University of Michigan He has also told his publisher that he made a living in Cairo cheating royalty from a certain Arab country at games of chance although the claim remains unverified His writing has appeared in the *New York Times* *The Atlantic* *Monthly* *Time* *Life* *Sports Illustrated* *The Village Voice* *TV Guide* and similarly diverse publications Zacks is married and busy warping the minds of his two children Georgia and Ziegfield He resides in New York City and can be reached via e mail at rzacks@echonyc.com *The Athenæum*, 1919 *When Novels Were Books* Jordan Alexander Stein, 2020-01-07 The novel was born religious alongside Protestant texts produced in the same format by the same publishers Novels borrowed features of these texts but over the years distinguished themselves becoming the genre we know today Jordan Alexander Stein traces this history showing how the physical object of the book shaped the stories it contained *Mixed Metaphors* Karen Sullivan, 2018-11-29 Critics shudder at mixed metaphors like that wet blanket is a loose cannon but admire Life's but a walking shadow a poor player and all the metaphors packed into Macbeth's Tomorrow and tomorrow and tomorrow speech How is it that metaphors are sometimes mixed so badly and other times put together so well In *Mixed Metaphors Their Use and Abuse* Karen Sullivan employs findings from linguistics and cognitive science to explore how metaphors are combined and why they sometimes mix Once we understand the ways that metaphoric ideas are put together we can appreciate why metaphor combinations have such a wide range of effects *Mixed Metaphors Their Use and Abuse* includes analyses of over a hundred metaphors from politicians sportspeople writers and other public figures and identifies the characteristics that make these metaphors annoying amusing or astounding *Books* *New York Herald Tribune*, 1962
