Aysha,2022-04-04 How is science fiction from the Arab and Muslim world different than mainstream science fiction from the  
 West What distinctive and original contributions can it make Why is it so often neglected in critical considerations of the  
 genre While other books have explored these questions all have been from foreign academic voices Instead this book  
 examines the nature genesis and history of Arabic and Muslim science fiction as well as the challenges faced by its authors in  
 the authors own words These authors share their stories and struggles with censors recalcitrant publishers critics the book  
 market and the literary establishment Their uphill efforts with critical contributions from academics translators and literary  
 activists will enlighten the sci fi enthusiast and fill a gap in the history of science fiction Topics covered range from culture  
 shock to conflicts between tradition and modernity proactive roles for female heroines blind imitation of storytelling  
 techniques and language games     **Contemporary Readings in the Philosophy of Literature** David Davies,Carl  
 Matheson,2008-03-06 What if anything distinguishes works of fiction such as Hamlet and Madame Bovary from biographies  
 news reports or office bulletins Is there a right way to interpret fiction Should we link interpretation to the author s intention  
 Ought our moral unease with works that betray sadistic sexist or racist elements lower our judgments of their aesthetic  
 worth And what when it comes down to it is literature The readings in this collection bring together some of the most  
 important recent work in the philosophy of literature by philosophers such as Martha Nussbaum John Searle and David Lewis  
 The readings explore philosophical issues such as the nature of fiction the status of the author the act of interpretation the

role of the emotions in the act of reading the aesthetic and moral value of literary works and other topics central to the philosophy of literature      *The Year's Best Science Fiction* Gardner Dozois,1987-04 A collection of the best stories published in 1986      **The Scrap-book: Consisting of Tales and Anecdotes, Biographical, Historical, Patriotic, Moral, Religious, and Sentimental Pieces, in Prose and Poetry** ,1860      *The Book Monthly* James Milne,1905      An Imperialist Love Story Amira Jarmakani,2015-07-31 A curious figure stalks the pages of a distinct subset of mass market romance novels aptly called desert romances Animalistic yet sensitive dark and attractive the desert prince or sheikh emanates manliness and raw sexual power In the years since September 11 2001 the sheikh character has steadily risen in popularity in romance novels even while depictions of Arab masculinity as backward and violent in nature have dominated the cultural landscape An Imperialist Love Story contributes to the broader conversation about the legacy of orientalist representations of Arabs in Western popular culture Combining close readings of novels discursive analysis of blogs and forums and interviews with authors Jarmakani explores popular investments in the war on terror by examining the collisions between fantasy and reality in desert romances Focusing on issues of security freedom and liberal multiculturalism she foregrounds the role that desire plays in contemporary formations of U S imperialism Drawing on transnational feminist theory and cultural studies An Imperialist Love Story offers a radical reinterpretation of the war on terror demonstrating romance to be a powerful framework for understanding how it works and how it perseveres      Science Fiction: A Critical Guide Patrick Parrinder,2021-05-18 This book first published in 1979 presents a portrait of science fiction as a distinct form of serious and creative literature Contributors are drawn from Britain America and Europe and range from well known academic critics to young novelists The essays establish the common properties of science fiction writing and assess the history and significance of a field in which critical judgements have often been unreliable The material ranges from the earliest imaginative journeys to the moon to later developments of British American and European science fiction
