The Master Plan Of Evangelism Kindle Edition:

The Missed Mission of The Great Commission A First Century Discipleship Paradigm for the 21st Century George Eberly, 2016-12-15 The Missed Mission of the Great Commission is discipleship or as Jesus puts it teaching them to observe all that I have commanded you Matthew 28 20 Thousands upon thousands of people have come to a personal relationship with Jesus Christ over the last four decades Yet during the same period of time the influence of Christianity on the American society has greatly diminished There have been many converts but far fewer have become disciples whose lives testify the presence of Jesus As Pastor Eberly shares about his years of ministry he calls the church back to a New Testament paradigm of discipleship He focuses on biblical principles rather than programs because one size does not fit all His book also points to practical ways in which these principles can be applied in whatever situation Making Disciples in the Twenty-First Century Church Joel Comiskey, 2013-12-02 We know that the goal of the Christian life is to glorify God and to enjoy him forever While this is God's ultimate plan does he have a particular purpose for the cell based church I've been wrestling with this question for the past twenty two years This question confronts me every time I coach a pastor or pastors In preparation for coaching I ask myself What is my principal objective in helping this pastor Where am I guiding this church What am I trying to do I've come to the conclusion that the primary goal of cell ministry is to make disciples who make disciples Christ's last command to his disciples was for them to repeat the process and to reproduce new disciples But how were they supposed to do that This book answers these questions The early church followed Christ's pattern by making disciples through the house churches that periodically celebrated together in public worship In 2 Timothy 2 1-2 Paul tells Timothy to continue the discipleship process by passing on the pure gospel message to faithful men and women Even though the term disciple is later replaced by words such as brothers sisters Christians and saints the concept remains the same We in North America and the Western world often project our own cultural bias into Christ's great commission Matthew 28 18-20 Most discipleship books in fact assume that discipleship is an individualistic endeavor between me and God And yes there is an important individual aspect e.g. personal devotions etc Yet in Matthew 28 Jesus was talking to a group of disciples He wanted them to follow his example by making disciples in a group Jesus molded twelve disciples in a group and then sent them house to house So how does the cell church make disciples In this book I show how the cell small group works together with the cell system to make disciples who make disciples In the cell a potential disciple is transformed through community priesthood of all believers group evangelism and team multiplication In the cell potential disciples are formed through learning how to love one another exercising their gifts evangelizing together as a group and then sent forth as teams to start new groups Discipleship is a group process in the New Testament and God is calling his church to re-emphasize this truth The cell system ensures each leader has a coach and that training equipping track happens Then the cells gather together to worship and grow through the teaching of God's Word All three aspects are essential to form disciples Training is needed because

disciples won't learn all they need to know in the cell. Coaching ensures that each leader is cared for and receives shepherding. The celebration service brings the cells together to hear God's Word, worship, and receive fresh vision. The goal of the two-wing cell church is to make disciples who make disciples. The cell church today makes disciples by following the early church pattern of cell and celebration.

Recommendations: I've read all of Joel Comiskey's books, but *Making Disciples in the Twenty First Century Church* is his best work yet. In this book, Joel reminds us that the real call and challenge of the Church is not developing leaders or numerical growth but making disciples who make disciples. He also helps us understand why that is best done in a cell or small group context and gives us great insight about how to make that happen. I'm looking forward to having all of our Pastors, Coaches, and Cell Leaders and Members read this book in the near future.

I am so excited about Joel Comiskey's new book *Making Disciples in the Twenty First Century Church*. When I'm asked what makes a cell church thrive, I always say discipleship. Thank you, Joel, for unpacking discipleship not just as an endeavor for individuals but as the critical element for creating a church community and culture that reproduces the Kingdom of God all over the earth. I pray this book won't only be read but lived out as we were made to make disciples.

I really like that Joel asked the *Why* question before the *How* question. He even takes on the *What* question, which is just as important. The interest in discipleship is greater now than anytime in the last fifty years. I fear, however, that we are using the same words but are not speaking the same language. I recommend this work. I cheer Joel on; he joins many of us who are masters of the obvious. It seems so obvious that our purpose is to be disciples and make disciples. I cheer him on because he goes beyond the *What* and *Why* and does address the *How*. This will help any person who reads it, and I pray that there will be many.

The history of the cell church movement in Brazil has many names of great men of God. Joel Comiskey certainly is one of them. We see how over the years his understanding of the New Testament Church has deepened. Again, Joel surprises us with this jewel. He covers many aspects of cell church life, showing us how discipleship relates to the broader scope of it and how to shape followers of Jesus. He takes us to the heart of the matter of the cell church as he states it: The purpose of cell ministry is making disciples who make disciples. Excellent book. The movement in Brazil certainly will be blessed through this book. Enjoy it.

In his tremendously helpful new book *Making Disciples in the Twenty First Century Church*, Joel Comiskey cuts directly to the core purpose of cell ministry, which is making disciples who make disciples. Then he tells us how to do it through the Cell-Based Church. Like Joel's other books, *Making Disciples in the Twenty First Century Church* is solidly biblical, highly practical, wonderfully accessible, and is grounded in Joel's vast research and experience. Great job, Joel!
