Shubin,2009 Russia in its time of troubles 1598 1613 is the subject of prolific freelance writer Shubin s new book The author describes this work as his translation and adaptation into English of a variety of famous works which he actually lists a welcome departure from the common practice of a number of best selling popular histories such as Henri Troyat s *Ivan le Terrible* 1982 which shamelessly raided the pages of famous historians like N M Karamzin with scarcely a nod However Shubin s method does not conform to the standards of professional history and it raises obvious questions about intended readership In addition the lack of any but discursive or informative footnotes makes it difficult to know who is being translated and adapted Actually The author if that is the proper term here has arranged the material better than one would expect and even made it useful for totally uninformed readers just setting out to explore the subject However it would be so much better for beginners to turn to complete translations of Shubin s sources a number of which long have been available from Academic International Press **The Lady of the Lake** Walter Scott,2019-11-19 Set against the breathtaking backdrop of the Scottish Highlands Walter Scott s *The Lady of the Lake* is a narrative poem that intertwines themes of love loyalty and national identity Employing a vivid Romantic style Scott paints a rich tapestry of Scottish folklore delivering a lyrical exploration of historical and mythical elements The poem s structure
