Kevin Kline, 2020-03-09 *The Doctrine of Eternal Life* is a civil minded study of Calvinism and Arminianism in the light of scripture. It answers many questions that have plagued both followers of John Calvin and Jacobus Arminius alike. Questions are answered as such: Does the Bible really teach that God chooses some people for heaven and some for hell? Can eternal life be lost? Why in 2 Timothy 2:10 was Paul willing to endure all things for the elect's sake so that they may obtain salvation if the elect were already saved? Is eternal life given by God as a gift or as a payment for doing good works? Discover the doctrine that Calvin seemingly overlooked which led to some lengthy and unnecessary teachings. Where did Arminius depart from a fundamental truth of scripture? What is the Bible definition of eternal life? Is the future written in stone? And of course a simple Bible based explanation of the TULIP doctrine. Learn how a brilliant theologian with a single innocent assumption may arrive at an incorrect conclusion while a lowly person with average intelligence using a superior method of study may arrive at the correct conclusion.

The Deep Things of God (Second Edition) Fred Sanders, 2017-04-13 The doctrine of the Trinity is taught and believed by all evangelicals but rarely is it fully understood or celebrated. In *The Deep Things of God* systematic theologian Fred Sanders shows why we ought to embrace the doctrine of the Trinity wholeheartedly as a central concern of evangelical theology. Sanders demonstrates engagingly and accessibly that the doctrine of the Trinity is grounded in the gospel itself. In this book readers will understand that a robust doctrine of the Trinity has massive implications for their lives: restoring depth to prayer, worship, Bible study, missions, tradition, and understanding of Christianity's fundamental doctrines. This new edition includes a study guide with discussion questions, action points, recommended reading, and more.
