The Missing Teacher A Memoir:

The Missing Teacher Lani V. Cox, 2015-01-16 You've probably heard of Waldorf but most people don't know what it is. Based on Rudolf Steiner's spiritual philosophy and the idea of giving children a holistic education it's one of the fastest growing alternative educational systems in the world. I entered the fairy tale world of Waldorf with the best intentions, completed my training and began teaching at a fledgling school. It was not the positive and nurturing environment I'd expected and two years later when it became apparent I didn't fit in I was fired. I was devastated and lost my faith. In the following years I went looking for myself and found clues in the most unlikely places between root beer and burgers, a shoebox and a book on tape. **The Missing Teacher** explores the personality of education, looks into one of the most controversial education systems and is a story about the education of self.

Yeshua a Personal Memoir of the Missing Years of Jesus Stan I. S. Law, 2006 As the story unfolds Satia the son of a wealthy caravan owner meets the 12 year old Yeshua Jesus as the latter flees in rebellion from his Essene teachers. A Teacher's Memoirs Ang-Lee Lai Kuin, 2015-12-19 Hwa Chong Junior College established in 1974 is one of the top junior colleges in Singapore. Its bilingual English and Chinese and bicultural junior college programme prepares enrolled full-time 16 to 18 year old students for the Singapore Cambridge GCE A level examinations for entry into the top local and prestigious foreign universities such as the Oxbridge universities in the UK and the Ivy League universities in the US. The College attracts the best local students after their GCE O level examinations, top tier foreign students, the Ministry of Education's ASEAN Scholars as well as other sponsored scholarship students from China and India. This book of memoirs covering my years at Hwa Chong as a pioneer teacher from its very first year shares with all my Hwa Chong colleagues, students, Councillors and students past, current and future the history and traditions of the College whose deep-rooted ethos and spirit help it to consistently deliver many top students and scholars into the best local and most prestigious universities overseas. These memoirs, written on the occasion of the College's 40th Anniversary, also record and share the travails and distressing times of the College as it was forced to spend several years on the move in temporary premises. The memoirs also share the triumphs of the College's students and student Councillors as they excel not only in their studies but also in various Co-Curricular Activities and in leadership appointments while enjoying their College life.

Memoirs of a Strange Little Girl Sara McGrath, 2010-11-08 My mother named me after Bob Dylan's Sara, his song of loss and bittersweet memory. The song could have set the tune for my life with cries of Gypsy violin and harmonica. Instead it gave me solace, a sad music place where I felt at home. I wrote my memoirs after my real dad died. His death marked the end of the saddest era of my life. I was born to a teenaged drug addict and raised by a sadistic young man who I called Dad but he wasn't my dad. He was a bogey man.
