The More I See You:

The More I See You Lynn Kurland, 1999-10-01 A wish upon a star transports the luckless in love Jessica Blakely back in time to the thirteenth century But her desire for a fair and gallant knight yields the fearsome Richard De Galtres And it will take her tender touch and stubborn will to pierce his armor clad heart **Of Rhyme and Reason** Paulette Michele Obertz, 2013-05-29 Of Rhyme and Reason is a collection of poems born out of a child's disillusionment of her memories in life Here the author reveals to the reader her dark sadness and total confusion from death and deep despair at an early age The author is able to create a language in verse that consists of metaphors with empathic emotion In doing so the author is able to bring you along to experience her private world of love and pain Along with her fears and joys you will come to understand her deep insight on living life no matter what may block the way **The Last Balladeer** Gregg Akkerman, 2012-06-14 Just after recording with John Coltrane in 1963 baritone singer Johnny Hartman 1923-1983 told a family member that something special occurred in the studio that day He was right the album containing definitive readings of Lush Life and My One and Only Love resides firmly in the realm of iconic forever enveloping listeners in the sounds of romance In The Last Balladeer author Gregg Akkerman skillfully reveals not only the intimate details of that album but the life long achievements and occasional missteps of Hartman as an African American artist dedicated to his craft This book carefully follows the journey of the Grammy nominated vocalist from his big band origins with Earl Hines and Dizzy Gillespie to featured soloist in prestigious supper clubs throughout the world Through exclusive interviews with Hartman's family and fellow musicians including Tony Bennett Billy Taylor Kurt Elling Jon Hendricks and others accounts from friends and associates newly discovered recordings and studio outtakes and in depth research on his career and personal life Akkerman expertly recollects the Hartman character as a gentleman romantic family man and constant contributor to the jazz scene From his international concerts in Japan Australia and England to his steady presence as an American nightclub singer that spanned five decades Hartman personifies the last balladeer of his kind singing with a sentiment that captured the attention of Clint Eastwood who brought Hartman's songs to the masses in the film The Bridges of Madison County In the first full length biography and discography to chronicle the rhapsodic life and music of Johnny Hartman the author completes a previously missing dimension of vocal jazz history by documenting Hartman as the balladeer who crooned his way into so many hearts Backed by impeccable research but conveyed in a conversational style this book will interest not only musicians and scholars but any fan of the Great American Songbook and the singers who brought it to life **Howard Morgen -- Through Chord Melody & Beyond** Howard Morgen, 2008-09 In this definitive work Howard Morgen demonstrates all the tools techniques and concepts to create masterful solo guitar arrangements This one of a kind book with enhanced CD features 19 full song arrangements based on 11 classic jazz standards which are immediately applicable for professional usage The enhanced CD features demonstrations by Howard Morgen and Howard Alden 6 complete video performances plus printable PDFs all
