acute criticism Besides this his vast knowledge of the manners and customs of barbarous peoples has furnished me with many most valuable references and his fine Ethnological Library has been ungrudgingly placed at my disposal Professor W Robertson Smith has read the proofs of those pages which deal with Semitic systems and Prof J H Middleton those treating of the Greek By their kind sacrifice of time and labour which have been robbed from important works of their own the many short comings of this book have been rendered far less numerous than they otherwise would be but of course I alone am responsible for the manifold ones which remain About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
