The Pagan King:

The Pagan King Edison Marshall, 1960 **The Pagan King** Gabrina Garza, 2008-04-01 Enslavement leads to the unleashing of savage passion Gr i Gunnarsson is accustomed to being in charge As king of the Danes in a time of war between Christians and pagan Vikings he takes riches and lives as he pleases His greatest treasure of all however is a young woman from Wessex a thrall who is anything but disposable Tapia Sapadian can t escape the fierce Viking king who has taken her as his captive Alone aboard his ship and in his quarters she discovers she needs him more than he needs her A gruesome wound could kill him unless she acts to keep him alive While in his home and under his rule she finds her heart slowly belonging to him even though he stands against everything she believes in and wants to kill Christianity s greatest champion Charlemagne the Great Can Tapia and Gr i s blossoming yet fragile love withstand the mighty differences that exist between them **The Demon Hunters** Adam L. D'Amato-Neff, 2003-06 The stunning conclusion to the Pleides Series

Darkwolfe and the Dragon Band hunt down the escaped demons What follows is nothing short of spectacular as the adventurers travel to the Dragon Temple the Elven Forest and to the city of Thor s Hammer Only the fates may know what the king will find when at last his soul is bared the forces of nature and battle is at last waged on Alcyone **The Scouring of the White Horse; Or, The Long Vacation Ramble of a London Clerk** Thomas Hughes, 2022-06-03 In The Scouring of the White Horse Or The Long Vacation Ramble of a London Clerk Thomas Hughes embarks on a literary journey that commemorates the revitalization of an ancient landmark akin to a cleansing of cultural memory This work documents the festival surrounding the Scouring of the Horse a traditional event at Uffington where the enigmatic chalk figure known as the White Horse is refreshed and preserved With a narrative infused with descriptive accounts of the 1857 celebration Hughes interweaves the local legends and traditions that enrich the tapestry of rural England His prose not only provides historical commentary but exhibits a celebration of English heritage through the articulate revival of folklore and communal spirit offering a rich lens into mid Victorian ethos and sociocultural dynamics Thomas Hughes notably recognized for his classic novel Tom Brown s School Days was an English lawyer and author who had a keen interest in social reform and the welfare of the common people His engagement with the festival may have been inspired by his deep seated appreciation for history education and a commitment to preserving communal bonds through shared narratives Hughes often perceived as a purveyor of moral and social values brilliantly utilizes the occasion of the Scouring to echo his ideals looking historically and critically at the events and traditions that shape Britain s communal fabric This text is not just a historical account it is a passionate call to the preservation of local history and the importance of community It stands testament to the notion that the echoes of a people s past are imperative to the understanding of their present and future Scholars and enthusiasts of English history and folklore alongside those intrigued by Victorian culture and communal celebrations will find The Scouring of the White Horse an essential addition to their collections Through Hughes s eyes the reader is invited to witness the deep roots of

tradition that lie beneath the rolling hills of the English countryside **Reduced Laughter** Helen Paynter, 2016-05-30 In this book Helen Paynter offers a radical re evaluation of the central section of Kings Reading with attention to the literary devices of carnivalization and mirroring she demonstrates that it contains a florid satire on kings prophets and nations Building on the work of humorists literary critics and biblical scholars the author constructs diagnostic criteria for carnivalization seriocomedy and identifies an abundance of these features within the Elijah Elisha and Aram narratives showing how literary mirroring further enhances their satirical effect This book will be of particular interest to students and scholars concerned with the Hebrew Bible as literature but will be valued by those who favour more historical approaches for its insights into the Hebrew text Unveiling Mysteries of the Bible Grant R. Jeffrey, 2013-06-19 The Bible is certainly the most mysterious book ever created The Scriptures are filled with hundreds of curious passages that have puzzled both Jews and Christians for thousands of years In this powerful faith building book respected author Grant R Jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of God It is the glory of God to conceal a thing But the honour of Kings is to search out a matter Proverbs 25 2 Key Topics Include The Mystery of 3 Days and 3 Nights and Christ s Resurrection The Mystery of the Virgin Birth and the Star of Bethlehem The Fall of the Walls of Jericho Ancient Egyptian manuscript confirms the 10 plagues of Exodus Joshua s Long Day Jonah and the Great Fish The Mystery of the Lost Treasures of the Temple Why Christians Worship on Sunday *Za'Varuk's Stone* Adam D'Amato-Neff, 2001-09 A young hero unravels the mysteries of the Capit Draconis head of the dragon and with a band of other adventurers he must face a host of evil spawn that threaten the the very fabric of the universe *British Drama, 1533-1642: 1598-1602* Martin Wiggins, Catherine Teresa Richardson, 2012 This is the fourth volume of a detailed play by play catalogue of drama written by English Welsh Irish and Scottish authors during the 110 years between the English Reformation to the English Revolution covering every known play extant and lost including some which have never before been identified It is based on a complete systematic survey of the whole of this body of work presented in chronological order Each entry contains comprehensive information about a single play its various titles authorship and date a summary of its plot list of its roles and details of the human and geographical world in which the fictional action takes place a list of its sources narrative and verbal and a summary of its formal characteristics details of its staging requirements and an account of its early stage and textual history Volume IV covers the period during which dramatic satire emerged as well as the opening of the original Globe theatre in London **New York Illustrated Magazine** ,1846 Luke's Jesus in the Roman Empire and the Emperor in the Gospel of Luke Pyung-Soo Seo, 2015-08-27 Shrewd and thoughtful Pyung Soo Seo offers an exciting and refreshing perspective on Luke s Gospel which provides valuable clues to a deeper understanding of the vast power of the Roman Empire through Jesus birth and trial accounts Seo analyses the political role the Gospel played in the decades following the Crucifixion and presents a compelling argument the Bible emphasises Jesus relationships with tax collectors as a way of displaying his moral authority

seen as he confronts one of the most hated aspects of the empire the corruption and intimidation for which the emperor was ultimately responsible Seo suggests that Luke wants us to compare Jesus and the emperor to show us how the emperor is found wanting Concentrating on the titles of benefactor and saviour his analysis of Christ's moral authority is both discerning and erudite

The Origins of Religious Violence Nicholas F. Gier, 2014-08-20 Religiously motivated violence caused by the fusion of state and religion occurred in medieval Tibet and Bhutan and later in imperial Japan but interfaith conflict also followed colonial incursions in India Sri Lanka and Burma Before that time there was a general premodern harmony among the resident religions of the latter countries and only in the late nineteenth and twentieth centuries did religiously motivated violence break out While conflict caused by Hindu fundamentalists has been serious and widespread a combination of medieval Tibetan Buddhists and modern Sri Lankan Japanese and Burmese Buddhists has caused the most violence among the Asian religions However the Chinese Taiping Christians have the world record for the number of religious killings by one single sect A theoretical investigation reveals that specific aspects of the Abrahamic religions an insistence on the purity of revelation a deity who intervenes in history but one who still is primarily transcendent may be primary causes of religious conflict Only one factor a mystical monism not favored in Judaism Christianity and Islam was the basis of a distinctively Japanese Buddhist call for individuals to identify totally with the emperor and to wage war on behalf of a divine ruler **The Origins of Religious Violence An Asian Perspective** uses a methodological heuristic of premodern modern and constructive postmodern forms of thought to analyze causes and offer solutions to religious violence

The Demise of Norse Religion Olof Sundqvist, 2023-12-18 When describing the transition from Old Norse religion to Christianity in recent studies the concept of Christianization is often applied To a large extent this historiography focuses on the outcome of the encounter namely the description of early Medieval Christianity and the new Christian society The purpose of the present study is to concentrate more exclusively on the Old Norse religion during this period of change and to analyze the processes behind its disappearance on an official level of the society More specifically this study concentrates on the role of Viking kings and indigenous agency in the winding up of the old religion An actor oriented perspective will thus be established which focuses on the actions methods and strategies applied by the early Christian Viking kings when dismantling the religious tradition that had previously formed their lives In addition the resistance that some pagan chieftains offered against these Christian kings is discussed as well as the question why they defended the old religious tradition
