The Revolution Will Be Improvised Elizabeth Rodriguez Fielder, 2024-10-22 *The Revolution Will Be Improvised* The Intimacy of Cultural Activism traces intimate encounters between

activists and local people of the civil rights movement through an archive of Black and Brown avant gardism In the 1960s Student Nonviolent Coordinating Committee SNCC activists engaged with people of color working in poor communities to experiment with creative approaches to liberation through theater media storytelling and craft making With a dearth of resources and an abundance of urgency SNCC activists improvised new methods of engaging with communities that created possibilities for unexpected encounters through programs such as The Free Southern Theater El Teatro Campesino and the Poor People s Corporation Reading the output of these programs Elizabeth Rodriguez Fielder argues that intimacy making became an extension of participatory democracy In doing so Rodriguez Fielder supplants the success failure binary for understanding social movements focusing instead on how care work aligns with creative production The Revolution Will Be Improvised returns to improvisation s roots in economic and social necessity and locates it as a core tenet of the aesthetics of obligation where a commitment to others drives the production and result of creative work Thus this book puts forward a methodology to explore the improvised often ephemeral works of art activism
