

THE LIVES OF

MICHEL FOUCAULT

DAVID MACEY

*"An exemplary biography, showing Foucault's life and work in a compelling and  
insightful way, and a philosophy that is both relevant and timely."*

*—Los Angeles Times*

# The Passion Of Michel Foucault

**Jiyuan Zhang**

## **The Passion Of Michel Foucault:**

**The Passion of Michel Foucault** James Miller, 2000 Based on extensive new research and a bold interpretation of the man and his texts *The Passion of Michel Foucault* is a startling look at one of this century's most influential philosophers It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity

**The Passion of Michel Foucault** James Miller, 1994

*The Passion of Michel Foucault* James Miller, Jim Miller, 1993 philosophers It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity

**La passion Foucault** Jim Miller, James Miller, 1995 Depuis sa parution en 1992 aux Etats Unis ce livre d rangeant nourrit d interminables controverses autour de la vie et de l oeuvre d un des philosophes les plus importants du si cle A t on le droit de prendre au mot Michel Foucault et de consid rer sa pens e en recr ant le parcours passionn d un homme exceptionnel Au lecteur fran ais de juger James Miller est professeur au New School for social Research New York Un mod le de biographie intellectuelle Art Forum Foucault exige de celui qui crit sur lui de se montrer la hauteur d une t che des plus ardues de tous ceux qui s y sont essay s seul James Miller y est parvenu *The Independent on Sunday* Ce livre va sans doute cr er la controverse Il nous donne le portrait d un esprit vibrant incandescent sans peur lumineux *The New York Times*

*A Symposium on James Miller's The Passion of Michel Foucault*, 1993

**Michel Foucault and the Politics of Freedom**

Thomas L. Dumm, 2002 This edition of a 1995 book Sage Publications contains a new introduction by the series editor and a new preface Readers familiar with Foucault's work will appreciate the difficulty in critically studying its arresting paradoxical nature Dumm political science Amherst College negotiates the problem by creating a thematic framework the idea of being free in a modern Western capitalist democracy and examining it through a Foucaultian lens He focuses on the politics of freedom negative freedom the disciplinary society ethics seduction governments and provides an enlightening companion to Foucault's postmodern philosophy Annotation copyrighted by Book News Inc Portland OR

*Reader's Guide to Lesbian and Gay Studies* Timothy F. Murphy, 2000 A guide to existing academic literature on issues persons periods and topics important in lesbian and gay studies With a focus on book length studies in English entries offer a very brief introduction and a more detailed overview of the secondary literature including the relative merits of each source under consideration While the overall arrangement of entries is alphabetical other means of access include a booklist general indexes cross references and a thematic list African American culture AIDS art and artists Asian studies biological sciences lesbian and gay culture education family gender studies history law literature media studies medicine music performing arts politics psychology philosophy and ethics and others Annotation copyrighted by Book News Inc Portland OR

**Michel Foucault and the Games of Truth** H. Nilson, trans Rachel Clark, 2016-07-27 The book emphasises the affinity between Foucault's and

Nietzsche's thought Both philosophers tried to give clarity to modernity's arbitrary nature Following on from Foucault's

diagnostic enquiries into a History of Sexuality and Nietzsche's appreciation of ancient culture Nilson's study shows a practical consequence the self-stylization of the individual This aesthetical attitude replaces belief in metaphysical and even scientific meaning thus leading to a philosophy of life Nilson's book targets all those who wish to give their life a unique form

*The Political Philosophy of Michel Foucault* Mark G.E. Kelly, 2010-06-21 This book is the first to systematically reconstruct Foucault's political and philosophical thought across his career arguing that Foucault had a consistent but ever-growing political and philosophical viewpoint

**A Primer on Postmodernism** Stanley J. Grenz, 1996-02-06 Grenz examines the topography of postmodernism a phenomenon everyone acknowledges but has difficulty describing with precision Of particular significance is his discussion of the challenges this cultural shift presents to the church

**Reassessing Foucault** Colin Jones, Roy Porter, 2002-01-04 Though Foucault is now widely taught in universities his writings are notoriously difficult Reassessing Foucault critically examines the implications of his work for students and researchers in a wide range of areas in the social and human sciences Focusing on the social history of medicine successive chapters deal with his historiographical methodological and philosophical writings his ideas about prisons hospitals madness and disease and his thinking about the body The book also suggests ways in which Foucault's influence will continue to dominate cultural history and the social sciences

*The Palgrave Handbook of Philosophy and Psychoactive Drug Use* Rob Lovering, 2024-10-14 In this Handbook philosophers from around the world address the metaphysics epistemology and value of psychoactive mind altering drug use In so doing they attempt to answer questions such as What does the fact of drug induced mind altering experiences tell us about natures of the mind free will and God What does it tell us about what and how we can know Are drug induced mind altering experiences valuable morally aesthetically or otherwise Is the acquisition of drug induced mind altering experiences ever immoral Should the acquisition of drug induced mind altering experiences ever be legally prohibited The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use

An Analysis of Michel Foucault's What is an Author? Tim Smith-Laing, 2018-05-11 Michel Foucault's 1969 essay What is an Author sidesteps the stormy arguments surrounding intentional fallacy and the death of the author offering an entirely different way of looking at texts Foucault points out that all texts are written but not all are discussed as having authors So what is special about authored texts And what makes an author different to other kinds of text producers From its deceptively simple titular question Foucault's essay offers a complex argument for viewing authors and their texts as objects A challenging thought provoking piece it is one of the most influential literary essays of the twentieth century

**The Death of Humanity** Richard Weikart, 2016-04-04 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country

*On the Use and Abuse of Foucault for Politics* Brent Pickett, 2005-01-01 On the Use and Abuse of Foucault for Politics provides an accessible interpretation of Foucault's political philosophy demonstrating how Foucault is relevant for contemporary

democratic theory Brent Pickett lays out an overview of Foucault's politics including a comprehensive overview of the reasons for various conflicting interpretations and then explores how well the different Foucaults can be used in progressive politics and democratic theory

**Relational Hermeneutics** Paul Fairfield, Saulius Geniusas, 2018-10-04 Investigating connections between philosophical hermeneutics and neighbouring traditions of thought this volume considers the question of how post Heideggerian hermeneutics as represented by Gadamer Ricoeur and recent scholars following in their wake relate to these traditions both in general terms and bearing upon specific questions The traditions covered in this volume existentialism pragmatism poststructuralism Eastern philosophy and hermeneutics itself are all characterized by significant internal diversity adding to the difficulty in reaching an interpretation that is at once comparative and critical None of these traditions represent a unified system of belief all are umbrella terms which are at once useful and imprecise and the differences internal to each must not to be understated An innovative work of comparative philosophy this volume avoids oversimplification and offers specific analyses that treat hermeneutics in relation to particular themes and key figures in each of these traditions of thought Philosophical hermeneutics is explicitly dialogical and it is in this spirit that the authors of this book approach their subjects revealing the important affinities and opportunities for mutually enriching conversations which have until now been overlooked

**Foucault's Last Decade** Stuart Elden, 2017-09-05 On 26 August 1974 Michel Foucault completed work on Discipline and Punish and on that very same day began writing the first volume of The History of Sexuality A little under ten years later on 25 June 1984 shortly after the second and third volumes were published he was dead This decade is one of the most fascinating of his career It begins with the initiation of the sexuality project and ends with its enforced and premature closure Yet in 1974 he had something very different in mind for The History of Sexuality than the way things were left in 1984 Foucault originally planned a thematically organised series of six volumes but wrote little of what he promised and published none of them Instead over the course of the next decade he took his work in very different directions studying lecturing and writing about historical periods stretching back to antiquity This book offers a detailed intellectual history of both the abandoned thematic project and the more properly historical version left incomplete at his death It draws on all Foucault's writings in this period his courses at the Collège de France and lectures elsewhere as well as material archived in France and California to provide a comprehensive overview and synthetic account of Foucault's last decade

**The Cambridge Companion to Foucault** Gary Gutting, 1994-02-25 Each volume of this series of companions to major philosophers contains specially commissioned essays by an international team of scholars together with a substantial bibliography and will serve as a reference work for students and non specialists One aim of the series is to dispel the intimidation such readers often feel when faced with the work of a difficult and challenging thinker Michel Foucault one of the most important of contemporary French thinkers exerted a profound influence on philosophy history and social theory Foucault attempted to reveal the historical contingency of ideas that present themselves as necessary truths He

carried out this project in a series of original and strikingly controversial studies on the origins of modern medical and social scientific disciplines These studies have raised fundamental philosophical questions about the nature of knowledge and its relation to power structures that have become major topics of discussion throughout the humanities and social sciences

**Hermeneutics and Phenomenology** Saulius Geniusas, Paul Fairfield, 2018-09-20 The relationship between these two central theoretical and philosophical approaches which we thought we knew is more complex and interesting than our standard story might suggest It is not always clear how hermeneutics that is post Heideggerian hermeneutics as articulated by Hans Georg Gadamer Paul Ricoeur and a large number of thinkers working under their influence regards the phenomenological tradition be it in its Husserlian or various post Husserlian formulations This volume inquires into this issue both in general conceptual terms and through specific analyses into questions of ontology and metaphysics science language theology and imagination With a substantial editors introduction the volume contains 15 chapters from some of the most significant scholars in this field covering the essential questions about the history present and future of these two disciplines The volume will be of interest to any philosopher or student with an interest in developing a sophisticated and nuanced understanding of contemporary hermeneutics and phenomenology

**The Return of the Theorists** Richard Ned Lebow, Peer Schouten, Hidemi Suganami, 2016-03-21 Contemporary International Relations is as much a conversation between the living and the dead as it is among the living Its debates are thoroughly rooted in and shaped by the thought of many bygone minds both ancient and modern With this in mind The Return of the Theorists presents forty imagined dialogues with foundational theorists They run the gamut from Homer and Confucius to Hedley Bull and Jean Bethke Elshtain and span almost three millennia of human history comprising representatives of a variety of cultures The interviewers consist of more than forty international relations scholars and political theorists They too cut across cultures continents and almost three generations and each is an expert on the work of the thinker invited The Return of the Theorists will be of interest to anyone who has tried to enter the mind of bygone thinkers in political thought and International Relations

Yeah, reviewing a book **The Passion Of Michel Foucault** could build up your near associates listings. This is just one of the solutions for you to be successful. As understood, ability does not recommend that you have wonderful points.

Comprehending as skillfully as concord even more than new will offer each success. bordering to, the statement as without difficulty as perspicacity of this The Passion Of Michel Foucault can be taken as capably as picked to act.
