The Milky Way Streets A Life Song:

The Milky Way Streets Jill Frankenberry, 2014-12-23 How does one share the essence of personal experience in a voice that can be understood clearly This book is in many ways the story of my life It clamors to be told It cannot be restrained It cannot be shut out When you step into my world you will find yourself Macrocosm and microcosm the universe mirrors the interior of all things in this creation No matter how diverse the form the content is the same Any life song is quite important If one person is touched by mine it will be sufficient
