The Miseducation Of Cameron Post

Carrie Hintz, Eric L. Tribunella

The Miseducation Of Cameron Post:

The Miseducation of Cameron Post Emily M. Danforth, 2012-02-07 The acclaimed book behind the 2018 Sundance Grand Jury Prize winning movie LGBTQ cinema is out in force at Sundance Film Festival proclaimed USA Today The acerbic coming of age movie is adapted from Emily M Danforth s novel and stars Chlo Grace Moretz as a lesbian teen who is sent to a gay conversion therapy center after she gets caught having sex with her friend on prom night The Miseducation of Cameron Post is a stunning and provocative literary debut that was named to numerous best of the year lists When Cameron Post s parents die suddenly in a car crash her shocking first thought is relief Relief they ll never know that hours earlier she had been kissing a girl But that relief doesn t last and Cam is forced to move in with her conservative aunt Ruth and her well intentioned but hopelessly old fashioned grandmother She knows that from this point on her life will forever be different Survival in Miles City Montana means blending in and leaving well enough alone and Cam becomes an expert at both Then Coley Talor moves to town Beautiful pickup driving Coley is a perfect cowgirl with the perfect boyfriend to match She and Cam forge an unexpected and intense friendship one that seems to leave room for something more to emerge But just as that starts to seem like a real possibility Aunt Ruth takes drastic action to fix her niece bringing Cam face to face with the cost of denying her true self even if she s not quite sure who that is Don t miss this raw and powerful own voices debut the basis for the award winning film starring Chlo Grace Moretz

The miseducation of Cameron Post, 2018 In 1993 after teenage Cameron is caught in the backseat of a car with the prom queen she is sent away to a treatment center in a remote area called God s Promise While she is being subjected to questionable gay conversion therapies she bonds with some fellow residents as they pretend to go along with the process while waiting to be released

Conversion Therapy in "The Miseducation of Cameron Post" by Emily M. Danforth Tabea Wiegand, 2022-03-28 Seminar paper from the year 2021 in the subject Didactics for the subject English Literature Works grade 1 0 University of Bonn Institut f r Anglistik Amerikanistik und Keltologie language English abstract This term paper discussed the portrayal of conversion therapy in the book *The Miseducation of Cameron Post* by Emily M Danforth Methods and effects of conversion therapy are covered and how those are visible in the book in various aspects Furthermore the protagonist is analysed as a survivor of conversion therapy Throughout history the opinion regarding members of the LGBTQ community has changed drastically From accepting homosexuality as normal in ancient Greece to presenting homosexuality as a sin in medieval and still modern times Nowadays an overall accepting and even supporting position for the community can be seen but certain negative tendencies still exist Those negative tendencies can be especially seen in the church and are often validated with religious arguments but naturally not all tendencies can be noticed from religious institutions Those tendencies differ in intensity however a certain number of individuals is feeling threatened by members of the LGBTQ community and desire to interfere in personal lives to change the homosexuality of a person This is often done with conversion therapy Conversion therapy is an issue that

many people are unaware of but if they do know of it people are commonly uncertain of what conversion therapy is like Most information is gathered from media and books as in the book *The Miseducation of Cameron Post* The teenage girl Cameron Post is sent to a conversion therapy camp to be cured of her homosexuality Before and during her time in the camp she writes down her experiences and her eventual escape Since conversion therapy is not banned in all US states and considering that society only knows about conversion therapy through books and media it is interesting to examine if the conversion therapy in *The Miseducation of Cameron Post* is an accurate portrayal of conversion therapy in the United States in the 1990s ***The Miseducation of Cameron Post*** Desiree Akhavan,2016 ***The Queer Coming of Age Film Genre*** Brad Windhauser,2024-10-15 In *The Queer Coming of Age Film Genre* Brad Windhauser argues for the existence of this genre and using a genre and queer theory lens investigates how the initial classic cluster of this genre's films represent the unique issues experienced by queer people including trans non binary and intersex individuals coming of age in society in the mid to late 90s As society evolved the book posits so too did the ways in which these films explored additional factors influencing the queer coming of age experience such as race and economic status in the genre's second stage Windhauser explores how this genre depicts the way queer people often engage with the coming of age process earlier than their cis het peers due to their queer identity but also how this process can extend beyond adolescence into emerging adulthood and adulthood itself Ultimately the book demonstrates how these films have become a tool to both further political goals of queer advocacy and acceptance and to offer guidance to queer people looking to gain a deeper understanding of their own lives and experiences Scholars of film studies genre studies pop culture and queer studies will find this book of particular interest

Consent Culture and Teen Films Michele Meek,2023-04-04 Teen films of the 1980s were notorious for treating consent as irrelevant with scenes of boys spying in girls locker rooms and tricking girls into sex While contemporary movies now routinely prioritize consent ensure date rape is no longer a joke and celebrate girls desires sexual consent remains a problematic and often elusive ideal in teen films In *Consent Culture and Teen Films* Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s including *Blockers* *To All the Boys I've Loved Before* *The Kissing Booth* and *Alex Strangelove* take consent into account Yet at the same time Meek reveals that teen films expose how affirmative consent yes means yes fails to protect youth from unwanted and unpleasant sexual encounters By highlighting ambiguous sexual interactions in teen films such as girls failure to obtain consent from boys queer teens subjected to conversion therapy camps and youth manipulated into sexual relationships with adults Meek unravels some of consent's intricacies rather than relying on oversimplification By exposing affirmative consent in teen films as gendered heteronormative and cis centered *Consent Culture and Teen Films* suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences

Twenty-First-Century Feminisms in Children's and Adolescent Literature Roberta Seelinger Trites,2018-01-17 Over

twenty years after the publication of her groundbreaking work *Waking Sleeping Beauty Feminist Voices in Children's Novels* Roberta Seelinger Trites returns to analyze how literature for the young still provides one outlet in which feminists can offer girls an alternative to sexism Supplementing her previous work in the linguistic turn Trites employs methodologies from the material turn to demonstrate how feminist thinking has influenced literature for the young in the last two decades She interrogates how material feminism can expand our understanding of maturation and gender especially girlhood as represented in narratives for preadolescents and adolescents *Twenty First Century Feminisms in Children's and Adolescent Literature* applies principles behind material feminisms such as ecofeminism intersectionality and the ethics of care to analyze important feminist thinking that permeates twenty first century publishing for youth The structure moves from examinations of the individual to examinations of the individual in social environmental and interpersonal contexts The book deploys ecofeminism and the posthuman to investigate how embodied individuals interact with the environment and via the extension of feminist ethics how people interact with each other romantically and sexually Throughout the book Trites explores issues of identity gender race class age and sexuality in a wide range of literature for young readers such as Kate DiCamillo's *Flora and Ulysses* Jacqueline Woodson's *Brown Girl Dreaming* and Rainbow Rowell's *Eleanor Park* She demonstrates how shifting cultural perceptions of feminism affect what is happening both in publishing for the young and in the academic study of literature for children and adolescents
