**The Murder of Michael Jackson** Deborah Stefaniak, 2014-12-29 The first question to ask in any homicide is What was the motive For Dr Conrad Murray the real motive should have been to keep Michael Jackson alive That way he could get paid But it wasn't Dr Murray that was the only person in Michael Jackson's life at the end There were other people too Other people who did have a motive to kill Working backwards from information personally received discoveries have been made as to who the real killer of Michael Jackson was This recounting of the events as they happened is a personal testimony to the discoveries and evidence supporting the conspiracy and cover up of the murder of one of the greatest entertainers and humanitarians in world history Michael Jackson

**Murder, Lies, and Cover-Ups** David Gardner, 2018-05-15 Uncover the real truth behind mass media accounts of how they died and learn the reason for their murders These five deaths stopped the whole world in its tracks We all famously recall where we were and what we were doing when JFK was assassinated as well as the moments Elvis Princess Diana and Michael Jackson died As for Marilyn Monroe the candle flickered out long ago but only now can the truth be told about how and why she died After combing through thousands of recently declassified FBI files and interviewing key witnesses crime analysts and forensic experts during years of research investigative writer David Gardner has unearthed new information that will transform the way we look at these iconic tragedies that have long fascinated and intrigued the general public Murder Lies and Cover Ups reveals that Elvis Presley died not as a self obsessed caricature but as a genuine hero who may have signed his death warrant going undercover for the FBI how Marilyn Monroe's secret affairs with JFK and his brother Robert left her in the crosshairs of a lethal conspiracy why Princess Diana's death was no accident who ordered President John F Kennedy's assassination and how on three occasions Michael Jackson died of painkiller drug overdoses in the months before his death In the wake of new evidence and testimonies Murder Lies and Cover Ups provides many of the answers that have been elusive for so long while explaining what it was about these enduring legends that made their legacies burn so bright
