The Naked Truth Alys X. George, 2020-05-15 Uncovers the interplay of the physical and the aesthetic that shaped Viennese modernism and offers a new interpretation of this moment in the history of the West Viennese modernism is often described in terms of a fin de siècle fascination with the psyche But this stereotype of the movement as essentially cerebral overlooks a rich cultural history of the body The Naked Truth an interdisciplinary tour de force addresses this lacuna fundamentally recasting the visual literary and performative cultures of Viennese modernism through an innovative focus on the corporeal Alys X George explores the modernist focus on the flesh by turning our attention to the second Vienna medical school which revolutionized the field of anatomy in the 1800s As she traces the results of this materialist influence across a broad range of cultural forms exhibitions literature portraiture dance film and more George brings into dialogue a diverse group of historical protagonists from canonical figures such as Egon Schiele Arthur Schnitzler Joseph Roth and Hugo von Hofmannsthal to long overlooked ones including author and doctor Marie Pappenheim journalist Else Feldmann and dancers Grete Wiesenthal Gertrud Bodenwieser and Hilde Holger She deftly blends analyses of popular and high culture laying to rest the notion that Viennese modernism was an exclusively male movement The Naked Truth uncovers the complex interplay of the physical and the aesthetic that shaped modernism and offers a striking new interpretation of this fascinating moment in the history of the West

The Naked Truth Danielle Staub, 2010-05-25 Meet the Real Danielle You've seen her on *The Real Housewives of New Jersey* turning heads raising eyebrows and igniting feuds with her feisty suburban neighbors Now the always fascinating Danielle Staub gets real about her scandalous past in the year's most explosive tell all memoir When she signed on to appear in a reality TV show Danielle had no idea what she was getting herself into Hoping for a new lease on life after her recent divorce the single mother of two became the target of vicious gossip heated arguments and endless controversy When her housewife costars confronted her with the true crime book written about her ex husband the you know what hit the fan Danielle knew she could no longer keep her checkered past a secret and she had to set the record straight This is the real Danielle Staub in her own words as you've never seen her before The child of an unmarried Italian teenager Danielle was born in Pennsylvania under the name Beverly Merrill after her mother was pressured by her well to do family to leave Italy and not return until after she'd put her baby up for adoption After years of sexual abuse she fled to Miami where she became a model living the kind of lifestyle she could only dream of as a child She partied like a rock star and with them as well but ended up marrying a deceitful man who held dangerous secrets of his own Soon Danielle was caught up in a tangled web of lies drugs and abuse that landed her in the hospital more than once How she survived leaving her husband changing her name and finally giving birth to two lovely daughters is one shocking story you have to read to believe If you thought *The Real Housewives of New Jersey* gave you the real story of Danielle Staub you don't know the half of it Filled with glamour and grit heartbreak and heroism this brave no holds barred memoir reveals the naked truth behind reality TV's most talked about star You either love me or you hate me there is no in between Danielle Staub For the first time ever one of the stars of the hit television show *The Real Housewives of New Jersey* tells her side of the story including The truth behind Cop Without a Badge the book that shocked the other housewives in the first season's explosive finale Her flashy fast paced life as a Miami model and exotic dancer Her controversial arrest and time spent in prison Her wild hookups with famous celebrities including an Olympian and a Miami Vice star Her abusive childhood rocky marriages stormy divorces and her triumphant rise as one of television's most intriguing personalities It's all here and all real in this straight from the hip memoir from the Real Housewife who has all of New Jersey talking and the whole world watching ***The Naked Truth*** Kevin Sandler, 2007-08-22 From parents and teachers to politicians and policymakers there is a din of voices participating in the

debate over how young people are affected by violence strong language and explicit sexual activity in films The Motion Picture Association of America MPAA responded to this concern in 1968 when it introduced a classification and rating system based on the now well known labels G PG PG 13 R and X For some these simple tags are an efficient way to protect children from viewing undesirable content But do the MPAA ratings actually protect children In The Naked Truth Kevin S Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry One prime indicator of this is the collective abandonment of the NC 17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings or lower the industry ensures that its products are perceived as responsible entertainment to all audiences and incontestable to politicians and moral reformers By embracing a no NC 17 rule the industry collapses mature subject matter with pornography creating a national cinema where certain representations of sex and nudity are taboo
