The Noblest Vengeance

Oscar Wilde

The Noblest Vengeance:

Noble Vengeance Julie Anne Csikos,2012-01-18 All Madixyna Battore has to do is find her husband Vynn and help him escape from prison But the task is easier said than done Vynn has been captured by Shynk Faids a politically savvy tyrant from the planet Carakwas who wants something from Max and Vynn and will stop at nothing to get it even if that means murdering one of them Grief stricken after failing in her mission Max resigns from the Agency and escapes to Earth taking the secrets Vynn died for with her After several years away from the agency Max is lured back to a special mission by the prospect of seeking revenge on Faids who has been searching for her ever since their last encounter In this science fiction tale laced with adventure and deception a young captain rekindles her passion for space travel as she attempts to settle the score with the man who robbed her of the man she married and the life she loved **Stronghand, or, the Noble Revenge** Gustave Aimard,2020-09-28 **Stronghand; Or, The Noble Revenge. A Tale of the Disinherited** Gustave Aimard (pseud. [i.e. Olivier Gloux.]),1875 **Stronghand, or, The noble revenge, by Gustave Aimard** Olivier Gloux,1863

Montaigne and the Quality of Mercy David Quint,2014-07-14 In a fresh reading of Montaigne s Essais David Quint portrays the great Renaissance writer as both a literary man and a deeply engaged political thinker concerned with the ethical basis of society and civil discourse From the first essay Montaigne places the reader in a world of violent political conflict reminiscent of the French Wars of Religion through which he lived and wrote Quint shows how a group of interrelated essays including the famous one on the cannibals of Brazil explores the confrontation between warring adversaries a clement or vindictive victor and his suppliant or defiant captive How can the two be reconciled In a climate of hatred and obstinacy Montaigne argues not only for the political necessity but also for the moral imperative of trusting and submitting to others and of extending mercy to them For Quint this ethical message informs other topics of the Essais Montaigne s criticism of stoic models of virtue his project to reform the cruel behavior of his noble class his self portrait that depicts his relaxed and unstudied nature and his measuring of his own behavior against the classical virtue of Socrates Quint s reading attentive to Montaigne s verbal artistry and to his historical and cultural context shows the essayist always aware of the other side of the issue The moral thought of the Essais emerges as startlingly modern both in the perennial urgency of Montaigne s concerns and in the self questioning open endedness of his doctrine Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Culture of Vengeance and the Fate of American Justice** Terry K. Aladjem,2008-01-14 America is driven by vengeance in Terry Aladjem s provocative account a reactive public anger that is a threat to democratic justice

itself From the return of the death penalty to the wars on terror and in Iraq Americans demand retribution and moral certainty they assert the rights of victims and make pronouncements against evil Yet for Aladjem this dangerously authoritarian turn has its origins in the tradition of liberal justice itself in theories of punishment that justify inflicting pain and in the punitive practices that result Exploring vengeance as the defining problem of our time Aladjem returns to the theories of Locke Hegel and Mill He engages the ancient Greeks Nietzsche Paine and Foucault to challenge liberal assumptions about punishment He interrogates American law capital punishment and images of justice in the media He envisions a democratic justice that is better able to contain its vengeance The Child of Providence, Or, The Noble Orphan H. L. Porter, 1820 *The Psychology of Feeling Sorry* Peter Randall, 2013-05-02 Can feeling genuinely sorry enable an important healing experience Can relieving the weight of guilt restore a general sense of self worth Can an individual's dawning awareness give birth to feelings of remorse perhaps even to acts of repentance The concepts of betrayal vengeance and forgiveness have long been a major part of religious doctrine throughout the world However only in recent times has the impact of these emotions become of interest to those involved in psychological study In *The Psychology of Feeling Sorry* Peter Randall links contemporary psychological research with religious teachings and doctrine that have provided spiritual guidance for hundreds of years Illustrated with explanatory narratives Randall fuses religious precepts with psychological theory concerning one of the least understood but most common of human emotions feeling bad about one's sins Using an eclectic approach Randall explores how much of what is believed within the domain of faith is now supported by modern psychological research This book will be of interest not only to those with religious beliefs but to psychologists psychotherapists students and anyone with an interest in the intersection of psychology psychotherapy and theology **The Duchess of Padua** Oscar Wilde, 1906 **Words Remembered, Texts Renewed** Jon Davies, Graham Harvey, Wilfred G. E. Watson, 1995-05-01 To mark the retirement of John F A Sawyer Professor of Religious Studies in the University of Newcastle upon Tyne colleagues and former students from around the world have contributed studies on his areas of interest the study of Hebrew the books of the Jewish Bible and the culture and traditions of Judaism The essayists consider not simply the origin of the meaning of word and text but also the many and strange ways in which word and text become transposed reoriented and often enough traduced by later interests and purposes The roll call of scholars reads Philip Alexander Francis Andersen Graeme Auld Calvin Carmichael Robert Carroll David Clines Richard Coggins Jon Davies Philip Davies James Dunn John Elwolde John Gibson Graham Harvey Peter Hayman Dermot Killingley Jonathan Magonet Robert Morgan Takamitsu Muraoka Christopher Rowland Deborah Sawyer Clyde Curry Smith Max Sussman William Telford Marc Vervenne Wilfred Watson Keith Whitlam and Isabel Wollaston *A dictionary of poetical illustrations* Robert Aitkin Bertram, 1877 **Just Anger** Gwynne Kennedy, 2000 Although women's anger is often dismissed as irrational in both eras for instance in the early modern era women were thought to become angry more often and more easily than men due to their inherent physiological

intellectual and moral inferiority The Tragedy of Mariam, the Fair Queen of Jewry Elizabeth Cary,1994-02-07 The Tragedy of Mariam 1613 is the first original play by a woman to be published in England and its author is the first English woman writer to be memorialized in a biography which is included with this edition of the play Mariam is a distinctive example of Renaissance drama that serves the desire of today's readers and scholars to know not merely how women were represented in the early modern period but also how they themselves perceived their own condition With this textually emended and fully annotated edition the play will now be accessible to all readers The accompanying biography of Cary further enriches our knowledge of both domestic and religious conflicts in the seventeenth century **Dictionary of**
