The One Legged Barber And Selected Short Stories:

The One-Legged Barber Perry Neel, 2014-11-01 Like Jonah in the whale I was absorbed in a large mouth bass with a big hook snagged through his gills when the barber's voice rang out Which one of you boys will be first He was finishing a customer an old man in a red plaid flannel shirt which seemed inappropriate on this warm day He shut off the electric clippers and as he turned to hang them on the wall rack I noticed the crutches supporting the barber I was attuned to the leg injuries of baseball players Mantle was hobbled many times in his career and I once saw a player leave a game after sliding into second His pants were torn and blood oozed through the gash And football players sometimes stood on the side lines helmet in hand propped up on crutches But much to my horror as the barber maneuvered from behind the chair it wasn t an injury to his leg There was no leg at all The One Legged Barber Each character from these stories in his or her own way struggles for a moment of lucidity In circumstances sometimes self created sometimes not they are looking for an epiphany Part of the dilemma is that the world will move on in its inexorable way That is a given And they know that As do we But the greater portion is the moment where an insight is achieved one that burns like a match struck in a room of darkness Only briefly though brightly you can understand the predicament And that is all you have to hold onto and you grip the match tight till your fingertips burn I have been sitting on these stories for reasons I cannot fathom for the greater part of a quarter of a century For similarly obscure reasons I have decided to set them free Maybe as the years wind down one longs to leave some sort of legacy But the fact that these old pages started turning up in bookshelves in file folders even in the laundry room maybe signaled their yearning to be let go So like finding a bird in the house I have opened the window and I m shooing them out There is not much here Maybe I am a minimalist Though frequently coins dust gravel an absent god or a miscreant grandmother shows up perry neel http oneleggedbarber weebly com The Collected Novellas & Short Stories of Anton Chekhov (200+ Titles in Multiple Translations) Anton Chekhov, 2023-11-20 Anton Chekhov s The Collected Novellas Short Stories of Anton Chekhov compiles over 200 works that showcase his mastery of the short story and novella forms Known for his economy of language and profound psychological insight Chekhov delves into the human condition through nuanced character studies and intricate plot structures His works capture the essence of late 19th century Russian society revealing the intricacies of personal relationships and social dilemmas The diverse translations highlight distinct interpretative angles enriching the reader's experience of his timeless themes of love loss and existential inquiry Born in 1860 in Taganrog Russia Chekhov was not only a playwright but also a practicing physician which influenced his empathetic portrayal of human suffering His unique background allowed him to understand and articulate the subtleties of everyday life fostering a literary voice that transcended romanticism Chekhov's experiences in rural Russia and his observations of the human psyche provided fertile ground for the existential dilemmas and moral complexities that permeate his work enabling readers to confront their own vulnerabilities This collection is indispensable for both new and seasoned Chekhov readers
