private lives and how those personal injustices related to the broad based political oppression of women. They called this cultural work consciousness raising. Women's and feminist fiction of the 1970s was dominated by a new kind of novel whose content and form were shaped by the practice of consciousness raising. Lisa Maria Hogeland contends that consciousness raising novels both reflected and furthered the Women's Liberation Movement's analyses of sexuality, gender, race and political responsibility and that through their narrative structure the novels actually engaged in consciousness raising with their readers. Using a broad range of fiction including works by Erica Jong, Marilyn French, Marge Piercy, Alix Kates Shulman, Alison Lurie, Joanna Russ and Joan Didion, Hogeland explores the ways in which consciousness raising novels addressed some of the most important questions raised by second wave feminism.

Becoming Judy Chicago Gail Levin, 2018-10-16 Born to Jewish radical parents in Chicago in 1939, Judy Cohen grew up to be Judy Chicago, one of the most daring and controversial artists of her generation. Her works, once disparaged and misunderstood by the critics, have become icons of the feminist movement, earning her a place among the most influential artists of her time. In *Becoming Judy Chicago*, Gail Levin gives us a biography of uncommon intimacy and depth, revealing the artist as a person and a woman of extraordinary energy and purpose. Drawing upon Chicago's personal letters and diaries, her published and unpublished writings, and more than 250 interviews with her friends, family, admirers and critics, Levin presents a richly detailed and moving chronicle of the artist's unique journey from obscurity to fame, including the story of how she found her audience outside of the art establishment. Chicago revolutionized the way we view art made by and for women and fundamentally changed our understanding of women's contributions to art and to society. Influential and bold, *The Dinner Party* has become a cultural monument. *Becoming Judy Chicago* tells the story of a great artist, a leader of the women's movement, a tireless crusader for equal rights and a complicated vital woman who dared to express her own sexuality in her art and demand recognition from a male dominated culture.

Coming of Age in Nineteenth-Century India Ruby Lal, 2013-02-18 In this eloquent history, Ruby Lal traces the lives of nineteenth century Indian women in their transition from girlhood to maturity. In the north Indian patriarchal environment, women's lives were dominated by prescriptive household chores and domestic duties. What the book reveals, however, is that women in the early nineteenth century experienced greater freedoms, playfulness and creativity than their counterparts in the more restricted colonial world at the end of the century.

Changing the Story Gayle Greene, 1992-01-22 *Changing the Story* gives an excellent and well informed account of the differences between the American, Canadian, British and French attitudes towards feminism and feminist fiction and literary theory, a very readable book which reminds us that literature can change us and that through it we can change ourselves. Margaret Drabble, a distinctive contribution, clear, elegant, precise and well read to the feminist discussion of narrative of Anglo-Canadian, white North American novelists and to contemporary fiction. Greene tracks how feminist novelists draw upon and negotiate with traditional narrative patterns and how their critical approach implicates and provokes social change. The book brings us to an intelligent post-humanism which

does not scant the social meanings of metafictional critique And in addition this book remembers hope Rachel Blau DuPlessis Changing the Story is an invaluable guide to the feminist classics of the last three decades This is cultural criticism at its best engaged re visionary and politically astute Nancy K Miller Greene tells a very good tale about how feminist fiction emerged developed made changes in the world and now threatens to wane The Women s Review of Books Her probing analysis should captivate general readers as well as academics WLW Journal Changing the Story is an important work of feminist criticism certain to spark controversy within the feminist community American Literature The feminist fiction movement of the 1960s 1980s was and is as significant a movement as Modernism Gayle Greene focuses on the works of Doris Lessing Margaret Drabble Margaret Atwood and Margaret Laurence to trace the roots of this feminist literary explosion She also speculates on the future of feminist fiction in the current regressive period of post feminism *The Making of Rebel Without a Cause* Douglas L.
