BBC Worldwide, 1993      The Showgirl Costume Jane Merrill, 2018-12-17 Fashion is synonymous with change yet the iconic showgirl costume feathers sparkle and revealing clothes has remained largely unchanged since the early 20th century Beginning in the 1800s a couture of the risqué evolved from Paris nightclubs to Las Vegas casinos The concept of glamour itself was based on what Parisian courtesans and burlesque performers wore A tall pretty girl with headless nude core with spangles high heels and dramatic makeup became a Gallic symbol and later the trademark of Hollywood musicals France exported costumes and millinery as well as whole productions from the Moulin Rouge the Lido and Folies Bergère to the U S and the world More recently cabaret styling has translated into today's day sport and evening clothes      **Timeless**

**Adventures** Brian J. Robb, 2023-10-05 This critical history of Doctor Who covers the series 60 years from the creation of the show to its triumph as Britain's number one TV drama. Opening with an in-depth account of the creation of the series within the BBC of the early 1960s, each decade of the show is tackled through a unique political and pop cultural historical viewpoint, exploring the links between contemporary Britain and the stories Doctor Who told and how such links kept the show popular with a mass television audience. *Timeless Adventures* reveals how Doctor Who is at its strongest when it reflects the political and cultural concerns of a mass British audience: the 1960s, 1970s, and 21st Century, and at its weakest when catering to a narrow fan-based audience as in the 1980s. The book also addresses the cancellation of the show in the late 1980s, following the series becoming increasingly self-obsessed, and the ways in which a narrowly focused, dedicated fandom contributed to the show's demise and yet was also instrumental in its regeneration for the 21st Century under Russell T. Davies, and analyses the new series to reveal what has made it so popular, reflecting real-world issues like consumerism and dieting.

*Sound / image* Sarah Cardwell, Jonathan Bignell, Lucy Fife, Donaldson, 2022-04-26 An exciting new strand in The Television Series, the Moments in Television collections celebrate the power and artistry of television whilst interrogating key critical concepts in television scholarship. Each Moments book is organised around a provocative binary theme. *Sound image* reassesses the synergy between televisual images and sounds and music as a key creative interaction warranting closer attention. Through close scrutiny of visual and sonic elements, the book's chosen programmes are persuasively illuminated in new ways. The book explores an eclectic range of TV fictions: dramatic and comedic. Contributors from diverse perspectives come together to expand and enrich the kind of close analysis most commonly found in television aesthetics. Sustained, detailed programme analyses are sensitively framed within historical, technological, institutional, cultural, creative, and art historical contexts.

*Acting in British Television* Tom Cantrell, Christopher Hogg, 2017-09-16 This fascinating text offers the first in-depth exploration of acting processes in British television. Focused around 16 new interviews with celebrated British actors including Rebecca Front, Julie Hesmondhalgh, Ken Stott, Penelope Wilton, and John Hannah, this rich resource delves behind the scenes of a range of British television programmes in order to find out how actors build their characters for television, how they work on set and location, and how they create their critically acclaimed portrayals. The book looks at actors' work across four diverse but popular genres: soap, opera, police, and medical drama, comedy, and period drama. Its insightful discussion of hit programmes and its critical and contextual post-interview analysis makes the text an essential read for students across television and film studies, theatre performance, and acting, and cultural and media studies, as well as academics and anyone interested in acting and British television. *Radio Times*, 1968
