**Ralph Griffiths, George Edward Griffiths**

## **The Parish Priest And The Hooker English Edition:**

**A Dictionary of the English Language** Samuel Johnson,1773      **The Oxford Guide to The Book of Common Prayer** Cynthia L. Shattuck,2006-07 This is a survey of the history of the Book of Common Prayer and its descendants throughout the world The guide shows how a classic text for worship and devotion has become the progenitor of an entire family of religious resources that have had an influence far beyond their use in Anglican churches      **Defiant Priests** Michelle Armstrong-Partida,2017-06-06 Two hundred years after canon law prohibited clerical marriage parish priests in the late medieval period continued to form unions with women that were marriage all but in name In *Defiant Priests* Michelle Armstrong Partida uses evidence from extraordinary archives in four Catalan dioceses to show that maintaining a family with a domestic partner was not only a custom entrenched in Catalan clerical culture but also an essential component of priestly masculine identity From unpublished episcopal visitation records and internal diocesan documents including notarial registers bishops letters dispensations for illegitimate birth and episcopal court records Armstrong Partida reconstructs the personal lives and careers of Catalan parish priests to better understand the professional identity and masculinity of churchmen who made up the proletariat of the largest institution across Europe These untapped sources reveal the extent to which parish clergy were embedded in their communities particularly their kinship ties to villagers and their often contentious interactions with male parishioners and clerical colleagues *Defiant Priests* highlights a clerical culture that embraced violence to resolve disputes and seek revenge to intimidate other men and to maintain their status and authority in the community      **Religion Since the Reformation** Leighton Pullan,2018-11-29 From the Preface These lectures make no pretence of being a history of the church during the last four centuries for such a history could not well be compressed within so small a compass They are only a few studies and sketches which I hoped might be useful in present circumstances to members of the University      *Religion Since the Reformation* Leighton Pullan,1923      **Pocket Dictionary of Church History** Nathan P. Feldmeth,2010-03-17 This convenient reference work by Nathan Feldmeth offers brief up to date definitions of the terms events movements and figures of church history      *The Living Church* ,1948      *Celebrating the Saints* Robert Atwell,2017-02-27 For every major feast saint s day and commemoration in the calendars of the Anglican churches of the UK this liturgical resource and spiritual companion offers a feast of readings that reflects the richness depth and variety of the Christian tradition from the earliest years of the church to the present day Writings from across the centuries represent the Eastern Western Roman and Celtic traditions and constitute a vibrant history of Christianity manifested in the lives of hundreds of holy men and women as diverse as first century martyrs or twentieth century social reformers A complementary volume to *Exciting Holiness* which provides scripture readings and prayers for the calendar this is now updated to include the additional commemorations in the Church of England s calendar of saints      **The Concise Cambridge History of English Literature** George Sampson,1957      **Library of Universal Knowledge** ,1880      The

Monthly review. New and improved ser ,1801      The Monthly Review Ralph Griffiths,George Edward Griffiths,1801      **The Monthly Review, Or, Literary Journal** ,1801      **The Penny Post** ,1852      **Children and the Theologians** Jerome W. Berryman,2009-11-01 The long history of children in theology is told via analysis of some twenty five theologians grouped according to six historical periods Each account examines what a particular theologian thought about children and the experience it was based upon Four themes that have shaped our attitudes about children in the church emerge from this history ambivalence ambiguity indifference and grace The result of this study is to promote a healthier church which will respect and utilize the distinctive gifts of children In so doing theologians will be better able to help clear the way for grace in the postmodern church      *A Victorian Dissenter* David E. Seip,2018-04-24 This book introduces the reader to Robert Govett 1813 1901 dissenting clergyman and author who wrote as a scholar of biblical prophecy primarily on the subject of the exclusion of believers in the Millennial Kingdom an idea of which he conceived The purpose of the book is threefold 1 to describe Govett his life and his printed work 2 to analyze Govett s eschatological beliefs especially those he originated and 3 to investigate why a respected theologian in England who had published over 180 books and tracts disappeared from dissenting print culture early in the twentieth century Govett s doctrine of exclusion was heavily intertwined with most of his writings It was a topic that he developed throughout his career Yet as the center of dispensationalism shifted to America Govett s views of the Rapture began to be seen as extreme The book explains why Govett was eclipsed as the center of the evangelical movement shifted and its theology ossified Since his death Govett has been occasionally remembered in scholarship but with increasing inaccuracies and skepticism This book seeks to remove the mystery      **The Sacramental Church** John F. Nash,2011-02-09 What is Anglo Catholicism What are its origins Are Anglo Catholics real Anglicans Episcopalians What is their relationship with Roman Catholics Has Anglo Catholicism betrayed Anglicanism s Protestant roots The Sacramental Church answers these and many other questions Addressed to the general reader it explores the history practices beliefs and attitudes of Anglo Catholicism While Anglo Catholicism has deep roots in English Christianity it attained its modern form through the nineteenth century Catholic Revival a movement that aroused strong passions among proponents and opponents alike The revival its proponents declared reclaimed for the Anglican faith its heritage as an authentic branch of the one holy catholic and apostolic church Anglo Catholicism gave Anglicans Episcopalians options to embrace ceremonial forms of worship affirm the objective real presence and sacrificial nature of the Eucharist venerate Mary the Mother of God or join a monastery without abandoning their Anglican tradition With an extensive bibliography and numerous direct quotes The Sacramental Church provides a valuable reference source as well as a very readable story of Anglo Catholicism the expression of sacramental Christianity with special relevance to the English speaking people      The Church Quarterly Review Arthur Cayley Headlam,1902      **Source and Summit** Joanne M.
