## What is Notetaking and Study Skills All About?

This class is designed to make your academic life BETTER. We will work on improving and understanding motivation, study habits, and learning styles. The course encourages students to take control of their learning by exploring varying strategies for success. I will provide engaging lessons and projects that will help students identify what works best for them individually. This one-semester course covers important study skills, such as strategies for taking high-quality notes, memorization techniques, test-taking strategies, benefits of visual aids, and reading techniques.

## What will be taught in Notetaking and Study Skills!

### Course Objectives

Throughout the course, you will meet the following goals:

- Compare different types of motivation and explain how motivation affects academics
- Understand the concept of academic integrity, and define cheating as it relates to online learning
- Identify different types of organizers, and describe the purposes of each
- Describe different strategies for remembering information
- List and explain each of the five steps of test preparation
- Explain the importance of following a rubric
- Describe the benefits of creating study groups, and distinguish the characteristics of quality study groups

### Units Covered:

- Taking Control of Your Academic Success
- Taking High-Quality Notes
- Memorization Techniques
- Five Steps to Test Preparation
- Test-Taking Strategies
- The Benefits of Visual Aids
- Using References
- Quality Final Products
- Strategies for Academic Success
- Reading Techniques

Teaching and Learning Effective Study Skills is designed to promote the development of study skills for students in Key Stage 3 and Key Stage 4 regardless of levels of ability or achievement. It provides an eight session programme for young people which aims to introduce and teach the key study skills essential for effective academic performance and achievement. All students can benefit from these specific strategies for organising, remembering, prioritising and undertaking assessments. These processes are the underpinnings of strategic learning and are essential for accurate and efficient study. This programme is intended as a fun and stimulating means of developing the kinds of study skills necessary to achieve success in today's ever stressful and test bound curriculum.
