Barnes,2023-09-15 From Jesus to J Setting details the experiences of Black people with diverse sexual identities from ages eighteen to thirty years old The work examines how the intersection of racial sexual gender and religious identities influence self expression and lifestyle modalities in this understudied often hidden population by exploring how racial sexual and religious dynamics play out Voices in the book illuminate a continuum of decisions from more traditional i e Black church participation to nontraditional i e dancing known as J Setting and spirituality and the corresponding beliefs values and experiences that emerge under the ever present specter of racism homophobia heterosexism and for many ageism Drawing upon sociology sociology of religion black studies queer studies inequality stratification and cultural studies Sandra Lynn Barnes explores the everyday lives of young Black people with fluid sexual identities and their everyday forms of individual as well as collective resistance *Multiple Medical Realities* Helle Johannessen,Imre Lazar,2006 Nowadays a plethora of treatment technologies is available to the consumer each employing a variety of concepts of the body self sickness and healing This volume explores the options

strategies and consequences that are both relevant and necessary for patients and practitioners who are manoeuvring this medical plurality Although wideranging in scope and covering areas as diverse as India Ecuador Ghana and Norway central to all contributions is the observation that technologies of healing are founded on socially learned and to some extent fluid experiences of body and self

The Healing Myth J. Keir Howard, 2013-09-09 What is the role of the church in ministering to the sick This book argues that it is not what is now called the healing ministry with its frequent claims of remarkable cures from physical illness Little critical attention seems to have been paid to the validity of these claims which if genuine would be producing clearly observable effects on the levels of morbidity and mortality in society Similarly the important ethical and moral questions the movement raises have also been very largely ignored A huge edifice of muddled theology together with highly questionable practice has been built upon very shaky foundations It is the purpose of this book to examine seriously the dubious claims and teaching of the modern healing movement as well to expose its very real dangers in order to encourage Christian people both ordained and lay to exercise a more critical approach to the healing movement The book concludes by outlining a framework for a return to a more biblical emphasis on proper pastoral care in the church s ministry to the sick

Karl Barth and Pentecostal Theology Frank D. Macchia, Terry L. Cross, Andrew K. Gabriel, 2024-02-08 The essays in this volume evaluate and build on Barth s theology from the perspective of Pentecostal theology and thereby contribute to constructive Pentecostal systematic theology by using Barth as a valuable dialogue partner At present a theological conversation of Pentecostals with Barth does not exist and this volume fills this void More widely it will aid all those who seek a convergence of the Word and the Spirit in theology Barth and Pentecostals share some important common theological interests Barth s mature theology has a decidedly christological emphasis Likewise historically Pentecostals have often spoken of a full gospel with an emphasis on Christ as savior healer baptizer in the Spirit and soon and coming King with some Pentecostal traditions also adding a fifth emphasis on Christ the sanctifier Furthermore near the end of his life Barth anticipated the possibility of a theology of the third article a theology where the Holy Spirit would dominate and be decisive The realization of Barth s dream is no doubt coming to pass in part through the development of Pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for Pentecostal theology
